Realms of the Deathless Greg Keyes,2022-09-27 Greg Keyes has always been a skilled storyteller Terry Brooks New York Times bestselling author *The Curse* shaped Aster s life from birth At first she believed her father was its only victim and determined to save him from it In doing so she learned that the Curse had stricken everyone in the magical realms known as the Kingdoms and that in an attempt to protect her her father had himself created it Now he is dead a victim of his own sorcery But the Curse has not ended with him Her father s actions his dread spell were only the shadows cast by a much deeper older conflict which is now unwinding the universe itself As the sun fades and the stars wink out Aster must follow a clue from her dead father to the highest furthest domain beyond the fairy tale kingdoms through fantastic and terrifying realms of gods and demons to the very source of reality the beginning and ending of everything There she might finally set things right Her path is narrow and the sacrifices necessary for even a tiny chance at success are unacceptable For the Curse has also released a rot at the very heart of the High and Faraway an evil more ancient than time itself It is against this unwavering malevolence that Aster Errol Billy Dusk and Delia must pit themselves They must do so without their friend Veronica a girl murdered decades before and brought back to life by Aster s magic For as Veronica discovers her own vast power she stares into the face of the enemy and sees in it her true self **The Reign of the Departed** Greg

Keyes,2018-06-19 A young man looking for death finds purpose in a world beyond our own in this sweeping fantasy from Greg Keyes *The Briar King* Newton s Cannon Errol Greyson hadn t intended to commit suicide Or so he told himself But waking up after his cry for help in the body of a wood and metal construct magically animated by Aster the strange girl from school was not a result he could have imagined Aster s wild explanations of a quest to find the water of health that would cure her father seemed as unreal as her description of Errol s own half dead existence his consciousness stuck in an enchanted automaton while his real body was in a coma from which it might never wake And of course they would need to recruit a girl a virgin no less who had been dead for thirty years to lead them through something called the Pale beyond which a bunch of magical kingdoms existed Plus the threat that Aster could turn him off like a light switch sending him into a hellish oblivion was a convincing incentive to cooperate It all seemed quite mad Either Aster was nuts or Errol was

hallucinating But if it meant a new chance at life he reckoned it was worth playing along *Kingdoms of the Cursed* Greg Keyes,2019-06-04 Three young friends must navigate dangerous magical worlds and their own inner selves in this sweeping fantasy from Greg Keyes the sequel to *The Reign of the Departed* Errol Greyson is awake and back in his own body thanks to his friends Aster the witch and Veronica the half dead girl Unfortunately due to the attempted suicide that led to his months long coma and temporary reincarnation in Aster s wooden automaton in the first place he s also in a mental hospital But when the last person Errol expects breaks him out and forces him back to the magical Kingdoms he has no other option but to attempt to undo a deadly curse threatening reality itself in hopes of returning the realm to equilibrium It s dangerous business especially in Errol s merely human form weakened from months in bed Fearing for their friend s life Aster and Veronica follow but are quickly separated Aster is captured by an ancient evil the source of the curse while Veronica confronts a mysterious admirer her own evolving nature and the dark spirit that murdered her years earlier As vast armies collide and dragons take wing the friends must find each other and themselves again **XCOM 2: Escalation** Rick Barba,2017-11-14 In this original novel based on the hit video game the Resistance gains new allies in fighting a new powerful alien enemy force Back in 2015 Earth s council of nations facing an extraterrestrial onslaught cravenly and abruptly surrendered to the alien invasion force XCOM the elite military unit created to defend the planet was betrayed and forced underground As Earth s survivors poured into the eerily clean and perfect New Cities XCOM began to secretly rebuild and retool for a long term guerilla war Twenty years later homegrown pockets of resistance have sprouted in the hinterlands Gritty bands of Reapers expert marksmen and fearsome hunters of alien flesh operate in the high country wilderness Tribal enclaves of former ADVENT Troopers powerful human alien hybrids called Skirmishers roam the alpine passes of the Continental Divide wreaking havoc on their hated former overlords Other factions operate more overtly some with mysterious and unsettling capabilities In response the alien Elders have unleashed a lethal and terrifying new infiltration team called The Chosen Can XCOM unite the resistance factions under its direction to counter this new deadly threat Or will the alien escalation finally sweep away the last dogged defenders of human civilization XCOM 2 Rick Barba,2017-12-12 Continue the fight against an imposing alien force with this original novel based on the hit video game XCOM 2 Under constant threat by the alien invasion humanity s fate is in the hands of the last remaining military resistance XCOM The elite unit is the only hope for the people of Earth The novel follows XCOM as they continue to fight for freedom redemption and survival Fans of XCOM 2 Resurrection will enjoy this exciting addition to the XCOM story and its use of elements of the popular game **XCOM 2 - Escalation (The Official Novel Volume II)** Rick Barba,2017-11
