100 Spiritual Movies to See before You Die John A. Zukowski, 2023-11-15 Spiritual themes are common in movies The unconventional savior The hero's journey The redemption tale The balance of creation Journalist John A Zukowski reflects on twelve major spiritual themes in the world of cinema discussing films from Dead Man Walking to Bruce Almighty from Groundhog Day to Chariots of Fire and many more See them all read them all before you die

The Real Story of Creation Willie J. Alexander, 2012-11-30 In his first book Entering The Promised Land Willies quest to understand how embedded social biases affect business success led to a much broader revelation Religious Scholar by training Willies source for study was biblical Scripture In the course of his research he literally stumbled upon a new methodology for biblical study He named this new tool the Defined Word Approach Much to his surprise by using this tool he found a rich cultural heritage for individuals of African descent hence the title Entering The Promised Land In his latest writing The Real Story of Creation Willie lays out an entirely new perspective on Creation as recounted in the Holy Bible Using the Defined Word Approach he breaks down the meaning of the classical Hebrew words used to write the Scripture The take away is vastly different from the biblical teachings of the past two centuries Willie feels that using the Defined Word Approach to read and understand the Bible could be the impetus for re energizing religious study and understanding Willie continues to pursue his research and writing while providing leadership and guidance through his service and active participation in industry business and civic associations

Screens of Blood Gregory Desilet, 2014-02-10 Civilization seems to move ever more toward the power of words over weapons But many people especially Americans still believe wrongs in life can be righted with a fist or a gun or a bomb Cultural mythology lags reality and continues to send the message of regeneration through violence But the transition to a healthier mythology is already underway and can be seen in the strength of an alternative trend in depictions of violence in storytelling This book examines this trend by comparing examples drawn from film and television with the traditional popular dramatic approach reflecting and promoting a culture of violence This comparison shows that attitudes toward conflict in drama are a key indicator of a

shift in awareness of violence in society The book concludes with an account of increasing challenges confronting the individual in today's world and the necessity for individual producers and consumers to take greater responsibility for their choices which shape culture through omnipresent and profoundly influential screen technology

Sensing the Past Jim Cullen, 2013-02-28 Sensing the Past explores perennial themes in American culture as manifested through the works of six of Hollywood's biggest movies stars Clint Eastwood Daniel Day Lewis Denzel Washington Meryl Streep Tom Hanks and Jodie Foster

God on the Big Screen Terry Lindvall, 2019-08-13 Links film history with church history over the past century illuminating America's broader relationship with religious currents over time Moments of prayer have been represented in Hollywood movies since the silent era appearing unexpectedly in films as diverse as Rebecca of Sunnybrook Farm Frankenstein Amistad Easy Rider Talladega Nights and Alien 3 as well as in religiously inspired classics such as Ben Hur and The Ten Commandments Here Terry Lindvall examines how films have reflected and sometimes sought to prescribe ideas about how one ought to pray He surveys the landscape of those films that employ prayer in their narratives beginning with the silent era and moving through the uplifting and inspirational movies of the Great Depression and World War II the cynical anti establishment films of the 60s and 70s and the sci fi and fantasy blockbusters of today Lindvall considers how the presentation of cinematic prayer varies across race age and gender and places the use of prayer in film in historical context shedding light on the religious currents at play during those time periods God on the Big Screen demonstrates that the way prayer is presented in film during each historical period tells us a great deal about America's broader relationship with religion

Holy Horror Steve A. Wiggins,2018-12-28 What exactly makes us afraid Is it monsters gore the unknown Perhaps it s a biblical sense of malice lurking unnoticed in the corners of horror films Holy Writ attempts to ward off aliens ghosts witches psychopaths and demons yet it often becomes a source of evil itself Looking first at Psycho 1960 and continuing through 2017 this book analyzes the starring and supporting roles of the Good Book in horror films monster movies and thrillers to discover why it incites such fear In a culture with high biblical awareness and low biblical literacy horrific portrayals can greatly influence an audience s canonical beliefs

The Humble Savage Charlie Crenshaw IV,2019-04-03 We all possess a savage beast whether you want to admit it or not Possessing that inner savage is useful when applied to the right things like facing fear head on chasing your dreams and competing on a high level However that savage energy must be balanced with humility to keep us grounded This book is for those interested in a unique perspective on balancing humility and savagery for GOOD The Humble Savage is a creative work that I put love and honesty into and I hope you can use the information to understand yourself better and thereby improve your world Be a kind person but also be prepared to destroy opposition that prevents you from reaching greatness Be a Humble Savage my friends

Precarious Parenthood Tina-Karen Pusse,Katharina Walter,2013 We all experience parenthood if not as parents then by way of having been parented or in the face of ubiquitous images of idyllic family life in the longing to be parents or to be parented Thus parenthood is one of the most powerful social constructs This collection of essays gives evidence of the fact that families have never been real that family like gender or race is not primarily based on biological criteria but above all has to be performed and is a result of narratives The relationship between these narratives their variations in Irish English German Mexican and Chilean literature or film and their material confinement is at the core of the essays gathered in this book Series Cultural Studies
