Notes and Queries: a Medium of Inter-communication for Literary Men, Artists, Antiquaries, Genealogists, Etc, 1886

Religion can be Fun Huib van Hoeven, 2016-10-03 *Religion Can Be Fun* confronts the reader with the idea of religion an often heavy serious and untouchable topic but told with humour to provide a more comfortable approach This book is a compilation of reflections poems and prayers which aims to inspire and lifts the spirits of those who are feeling low Having spent many years conducting intercessions and leading morning praise services Huib van Hoeven found that religion is often portrayed in a serious manner that fails to spark the imagination of the younger generation His own style of worship exemplified in *Religion Can Be Fun* is light hearted and aims to create a smile in those who wish to learn more about religion

The themes discussed throughout the book demonstrate the enjoyment that can be found in religion and include every day lessons about love loss power and our relationship with God The book also explores infamous stories from the bible such as the story of Adam Eve and Paul s Shipwreck so that the reader can understand the stories in a previously unseen manner The reader is challenged to experience the impact of the messages within the book and see the difference in themselves It aims to give the doubter and the sceptic the opportunity to think again about their views as well as giving the readers at the end of their tethers a stimulant and a new will to live Religion Can Be Fun will appeal to anyone who finds religion serious and prescriptive but it will also widely appeal to younger readers who are looking for a fresh perspective on religion

Vaalmeeki Raamaayan L. Swaminathan,2018-01-01 Whether the story of the Raamaayana had really happened or it is a creation of the human imagination is difficult to argue But the story is unusual and at the same time beautifully structured original in content and with remarkable characters and stunning events that it is more likely that it is all a fact and not fabricated fiction Mixed with divine and human elements the story has had an irresistible appeal from time immemorial The oldest and most complex version of The Raamaayana is by Sage Vaalmeeki Legend has it God Brahma himself had ordained that Vaalmeeki should write the Raamaayan and the gist of the story was narrated to Vaalmeeki by Sage Naarada It is amazing how from a brief narration Vaalmeeki could fill i all the details to compose a monumental epic of about 22 000 verses It shows the power of Vaalmeeki s vision
