

Vocabulary Week 1

BELL comes from the Latin word meaning "war." *Bellona* was the little-known Roman goddess of war; her husband, Mars, was the god of war.

1. antebellum (adj.): Existing before a war, especially before the American Civil War (1861-1865).

Ex. When World War I was over, the members of the French nobility found it impossible to return to their extravagant antebellum way of life.

2. bellicose (adj.): Warlike, aggressive, quarrelsome.

Ex. The country often elected the more bellicose party after a period of tension along the border, hoping that military action would result.

3. belligerence (n.): Aggressiveness, combativeness.

Ex. The belligerence in Jacob Turner's voice told the townspeople that the warning he gave was really a serious threat and that they were in danger.

4. rebellion (n.): Open defiance and opposition, sometimes armed, to a person or thin in authority.

Ex. When the science students protested because they were not allowed to do the promised lab, the substitute teacher ended the student rebellion by insisting on absolute quiet.

PAC/PEAS is related to the Latin words for "agree" and "peace." The Pacific Ocean – that is, the "Peaceful Ocean" – was named by Magellan because it seemed so calm after the storms near Cape Horn.

1. pacify (v.): To soothe anger or agitation; to subdue by armed action.

Ex. After the rally at city hall, it took the police hours to pacify the angry demonstrators and clear the streets of the small town.

2. pacifist (n.): A person opposed to war or violence, especially someone who refuses to bear arms or to fight, on moral or religious grounds.

Ex. Always a strong pacifist, in later life John Smith took to actively promoting the cause of peace and nonviolence around the world.

3. pact (n.): An agreement between two or more people or groups; a treaty or formal agreement between nations to deal with a problem or to resolve a dispute.

Ex. The young girls made a pact never to reveal what had happened on that terrifying night in the abandoned house.

4. appease (v.): To make peaceful and quiet; to calm, satisfy.

Ex. Long ago in a very different culture, the Aztecs offered mass human sacrifices in order to appease their gods and ensure their way of life.

Vocabulary Week 2

THE/THEO comes from the Greek word meaning "god." Theology, for example, is the study of gods or religion.

1. apotheosis (n.): Transformation into a god; the perfect example.
