A Taste Of Bittersweet Fruit:

After Taste Author Kharisma/D.L. Miller, 2016-12-16 She s Back Fefe delusional and crazy just couldn t stay away from her man D C and like most obsessed Ex s she would go to any lengths to have him Devious and deceptive as ever Fefe makes Khaila insecure about the strength of her marriage with D C What will happen with Khaila and D C Will their love make it through more of Fefe s drama Legal woes The re connection of two Ex s And an outside baby The name of the game is BETRAYAL and how can love win after all of that The BitterSweet Experience is like riding a wild safari through an urban jungle with no tour guide Twists turns and shocking revelations at every corner Nothing is off limits *Love Thy Self - Teen Version* Author Kharisma/D.L. Miller, 2009-12-01 Many readers who happen to pick up this book may ask why I would choose to write this with an already large array of other self help materials collecting dust on the bookshelves Well with my perusal of the bookstores and libraries I have found very few books written to address the self esteem of people of color and the great need for them to celebrate self love and self preservation The mission of this book is to allow African American Latin American and young people of color the opportunity to embrace their individuality above societal norms cultural expectations gender roles or any other forms of classism Though we all fit into specific groups according to race culture and class we people of color all collectively have something special which makes us uniquely beautiful One may also ask why I would target pre teens teens of color as opposed to speaking to all pre teens teens One good reason to mention is the fact that I am an African American woman who has enjoyed the journey of self discovery its twist and turns ups and downs and all of its ins and outs Despite all the obvious obstacles I have had as an African American woman I have learned to love who I am and achieve success with great pride Secondly I write to hopefully encourage and empower pre teens teens of color to love themselves from the depths of their souls to the surface of their mahogany honey brown or caramel skin As beautiful as we are collectively we have some serious issues with self esteem and confidence Thirdly I pray that this book will help young girls and boys to love who they are denying themselves for no one *The Dating Pool Blogbook II* Author Kharisma/D.L. Miller, 2013-03-15 This book is a second collection of blog postings written by the Love Revolution members formerly The Dating Pool Blog for the purpose of discussing the complex relationship issues occurring in today s world **Cafe Soul: a Taste of Me** Michael A. Nelms, 2010-09-10 Growing up in Baltimore and spending a lot of summers in Virginia I was always surrounded by love and encouragement Being an individual love honor hard work and pride became the foundation that would shape me into the man that I am I have always had a love for art and its ability to be a vehicle for expression Growing up I expressed myself through sketching painting and sculpting but I wasn t able to relay my true thoughts until I started comprising poetry Poems trapped in my head forgotten notebooks of thoughts I shed and those slips of random paper everything from envelopes to receipts had become the warehouse of my expressions Thank God for friends and family they encouraged me to chase my dreams and write this book We are but echoes of memories on the wings of space and time living

immortally in the hearts and minds of those we have touched It is my purpose my hope and my dream to stimulate the heart and mind of whomever may read this book It is my attempt to express and release my thoughts so that you my readers may have a taste of who I am If but one person reads and is positively inspired by my words then this book will have served
