Excerpt is the same as the latitude of the point on the line A R J 25 19 4 S B 115 31 5 W. We now have two Sumner lines A and B under Case I whose common latitude is 25 19 MS and whose longitudes on the common parallel are 114 61 K 7 and 115 31 5. Hence the difference of longitude on the common parallel is 115 31 5 W 114 59 7 W. CHAPTER XVI THE PRACTICE OF NAVIGATION AT SEA 381 Having set forth in previous chapters the methods of working dead reckoning and of solving problems to find the latitude longitude chronometer correction and azimuth from astronomical observations it will be the aim of the present chapter to describe the conditions which govern the choice and employment of the various problems together with certain considerations by which the navigator may be guided in his practical work at sea 382 Departure And Dead Reckoning On beginning a voyage a good departure must be taken while landmarks are still in view and favorably located for the purpose this becomes the origin of the dead reckoning which with frequent new departures from positions by observation is kept up to the completion of the voyage thus enabling the mariner to know with a fair degree of accuracy the position of his vessel at any instant At the moment of taking the departure the reading of the patent log which should have been put over at least long enough previously to be regularly running must be recorded and thereafter at the time of taking each sight and at every other time when a position is required for any purpose the log reading must also be noted It is likewise well to read the log each hour for general information as to the speed of the vessel as well as to observe that it is in proper running order and that the rotator has not been fouled *American Practical Navigator Bowditch 1981 Edition* Nathaniel Bowditch, 2015-12-01 used for study of celestial navigation This is the 1981 edition volume 2 **American Practical Navigator BOWDITCH 1981 Vol2 7x10** Nathaniel Bowditch, 2016-01-27 used for study of celestial navigation This is the 1981 edition volume 2 **Defense Mapping Agency Nautical Charts and Publications Public Sale** United States.
