Boocoo Dinky Dow My Short Crazy Vietnam War:

Boocoo Dinky Dow Grady C. Myers, Julie Titone, 2012-06-17 Grady Myers was an artistic but aimless teenager in 1968 when desperate for troops the U S Army overlooked his extreme nearsightedness and transformed him into Hoss an M 60 machine gunner His illustrated memoir Boocoo Dinky Dow My short crazy Vietnam War is by turns funny and sobering Grady recounts his military initiation at Fort Lewis where soldiers were chased for stealing cakes and there could be a fuzzy line between training and torture He describes the intensity of Vietnam where an old man carrying a bundle of sticks posed a moral dilemma and a young man would weigh the burden of his virginity against the dubious pleasures of riverbank prostitutes Grady s explosives happy comrades in Charlie Company sometimes posed the greatest danger But in a dramatic ambush that same bunch of crazy soldiers risked their lives to save his Grunt Slang in Vietnam Gordon L. Rottman, 2020-02-04 A look at how combat culture and military tradition influenced soldiers language in Vietnam from the award winning USA Today bestselling author The slang or unique vocabulary of the soldiers and marines serving in Vietnam was a mishmash of words and phrases whose origins reached back to the Korean War World War II and even earlier Additionally it was influenced by the United States rapidly changing protest culture ideological and poetical doctrine ethical and cultural conflicts racialism and drug culture This slang was rendered even more complex by the Pidgin Vietnamese English spoken by Americans and Vietnamese alike But perhaps most importantly it reflected the soldiers actual daily lives played out in the jungles swamps and hills of Vietnam Late Thoughts on an Old War Philip D. Beidler, 2010-01-25 Philip D Beidler who served as an armored cavalry platoon leader in Vietnam sees less and less of the hard won perspective of the common soldier in what America has made of that war Each passing year he says dulls our sense of immediacy about Vietnam s costs opening wider the temptation to make it something more necessary neatly contained and justifiable than it should ever become Here Beidler draws on deeply personal memories to reflect on the war s lingering aftereffects and the shallow evasive ways we deal with them Beidler brings back the war he knew in chapters on its vocabulary music literature and film His catalog of soldier slang reveals how finely a tour of Vietnam could hone one s sense of absurdity His survey of the war s pop hits looks for meaning in the soundtrack many veterans still hear in their heads Beidler also explains how Viet Pulp literature about snipers tunnel rats and other hard core types has pushed aside masterpieces like Duong Thu Huong s Novel without a Name Likewise we learn why the movie The Deer Hunter doesn t get it about Vietnam but why Platoon and We Were Soldiers sometimes nearly do As Beidler takes measure of his own wartime politics and morals he ponders the divergent careers of such figures as William Calley the army lieutenant whose name is synonymous with the civilian massacre at My Lai and an old friend poet John Balaban a conscientious objector who performed alternative duty in Vietnam as a schoolteacher and hospital worker Beidler also looks at Vietnam alongside other conflicts including the war on international terrorism He once hoped he says that Vietnam had fractured our sense of providential destiny and geopolitical invincibility but now

realizes with dismay that those myths are still with us Americans have always wanted their apocalypses writes Beidler and they have always wanted them now Soul Patrol Ed Emanuel,2007-12-18 LRRPs had to be the best Anything less meant certain death When Ed Emanuel was handpicked for the first African American special operations LRRP team in Vietnam he knew his six man team couldn't have asked for a tougher proving ground than Cu Chi in the summer of 1968 Home to the largest Viet cong tunnel complex in Vietnam Cu Chi was the deadly heart of the enemy's stronghold in Tay Ninh Province Team 26 of Company F 51st Infantry was quickly dubbed the Soul Patrol a gimmicky label that belied the true depth of their courage Stark and compelling Emanuel's account provides an unforgettable look at the horror and the heroism that became the daily fare of LRRPs in Vietnam Every mission was a tightrope walk between life and death as Emanuel's team penetrated NVA bases sidestepped lethal booby traps or found themselves ambushed and forced to fight their way back to the LZ to survive Emanuel's gripping memoir is an enduring testament to the valor of all American LRRPs who courageously risked their lives so that others might be free **Boo-Coo Dinky Dow** Dan Matrisciani,2016-10-24 Taking his family back more than fifty years ago Dan Matrisciani vividly and candidly shares the truth and consequences of being drafted into a barbaric senseless war Vietnam Am I sorry I went to Vietnam Would I do the same thing over again I made some good friends over there and maybe the experience helped shape who I would be in later life All I really know is it don't mean a thing
