Book And Rivals Montrose Argyll Struggle Scotland:

The Rivals Murdo Fraser, 2015 The struggles of the Scottish Civil War of 1644-45 could easily be personified as a contest between James Graham 1st Marquis of Montrose and Archibald Campbell 8th Earl of Argyll Yet at first glance there seems to be more that unites them than separates them Both came from ancient and powerful families both were originally Covenanters both considered themselves loyal subjects of Charles I then Charles II who in turn betrayed each of them and both died at the hands of the executioner In this book Murdo Fraser examines these two remarkable men underlining their different personalities Montrose the brilliant military tactician bold and brave but rash and Campbell altogether a more opaque figure cautious considered and difficult to read The result is a vivid insight into two remarkable men who played a huge part in writing Scotland's history and a fascinating portrait of a time of intense political upheaval **The King's Only**

Champion Dominic Pearce, 2023-05-15 A story of chivalry and vanity loyalty and betrayal The most brilliant servant of the royal Stuarts was betrayed by them **The Rivals** Murdo Fraser, 2015-10-14 The struggles of the Scottish Civil War of 1644-45 could easily be personified as a contest between James Graham 1st Marquis of Montrose and Archibald Campbell 8th Marquis of Argyll Yet at first glance there seems to be more that unites them than separates them Both came from ancient and powerful families both were originally Covenanters both considered themselves loyal subjects of Charles I then Charles II who in turn betrayed each of them and both died at the hands of the executioner In this book Murdo Fraser examines these two remarkable men underlining their different personalities Montrose the brilliant military tactician bold and brave but rash and Campbell altogether a more opaque figure cautious considered and difficult to read The result is a vivid insight into two remarkable men who played a huge part in writing Scotland's history and a fascinating portrait of a time of intense political upheaval *A Sword for Christ* Jonathan Cobb, 2021-09-02 The fifteen year period between 1645 and 1660 was one of the

most dynamic in British history during which the republican Commonwealth and Cromwellian Protectorate attempted to create a new type of Godly state after the execution of Charles I Drawing on the latest research and established sources as well as the works and diaries of contemporaries such as John Evelyn Lucy Hutchinson and Samuel Pepys *A Sword for Christ* offers a new and stimulating perspective on these extraordinary years Key personalities such as Sir Thomas Fairfax the Marquis of Argyll Charles II and of course Oliver Cromwell himself one of the most contentious figures in history are re appraised and brought vividly to life In addition to exploring the religious and political debates which shaped the era and the military culture which defined it the book also considers how society was profoundly affected by the upheaval caused by the civil wars the relations between what was essentially an English republic and its Irish and Scottish neighbours and the ethos of the New Model Army and the navy *The book of Scotsmen Eminent for Achievements in Arms and Arts* Joseph
