**The Lost** James Patterson, Emily Raymond, 2014-12-15 Whit and Wisty explore the nature of power in James Patterson's final explosive conclusion to the bestselling Witch Wizard saga. Whit and Wisty Allgood have fought and defeated their world's most pernicious threats: the evil dictator The One Who Is The One, as well as his wicked father and son. But just as the heroic witch and wizard start to settle into their new roles in governance, a deadly crime wave grips their city, with all signs pointing to a magical mastermind every bit as powerful and heartless as The One. Now the siblings find themselves persecuted as the city turns against all those who possess magic. They're questioning everything, including each other and their abilities. Can they confront the citizens' growing hostility and their own doubts in time to face the new enemy barreling toward their gates?

**Witch and Wizard: the Lost** James Patterson, 2015-11-19 Whit Allgood is renowned for healing the victimised. But now the people of his City have turned their backs on all who use magic, and Whit is faced with a terrible choice: give up his power or let good people die. Wisty Allgood once saved the City from despair, but now she watches over a society that fears her power and is unwilling to accept her as she is. Increasingly bitter and isolated, she is on the brink of abandoning everyone she's ever cared for. All the while, a daunting but charismatic new enemy with unsurmountable power is gathering legions of cult followers, enslaving thousands and wrenching public opinion against its former heroes, making the City vulnerable to a catastrophic attack from which it would never recover. With the Allgoods unable to help, will evil finally take back control?
