Interview with the Author Q: What inspired you to write The Sabienn Feel Adventures? A: I've always loved the idea of the epic journey. I'm acquainted with the book Journey to the West but was more familiar with the TV series in the 80's based on the book called Monkey. The idea of four souls travelling across a wide expanse of geography to complete a quest appealed to me. So I planned a series of twelve books to go from one place in the south of this space colony that they live on twice removed from Earth to end up in the north meeting danger at every turn. Q: Why does your main character Sabienn Feel grow wings? A: Good question. I wanted

something drastic to occur to these people physically Something that would be difficult to hide and offer an immediate prejudice The idea of growing wings constantly came up for me There s a Pearl Jam song I found inspiring that says And sometimes is seen a strange spot in the sky A human being that was given to fly And in my mind s eye I could see this figure Almost like the Led Zeppelin Icarus logo but with bat wings But they couldn t fly otherwise they d hit the sky and the journey would be over in no time I made them only able to swim because being submerged in water has elements of dealing with the subconscious To me it satisfies all elements of those prophecy fantasy epic adventure type of stories that involve friendship and brotherhood Q So why should readers give these books a try A Well I would say they were humour filled page turning epic fantasy adventure novels which involve a quest But I ll just say just check them out **Crybaby** Cheryl E.

Klein,2022-09-20 A self described crybaby who sees the end of the world lurking around every corner Cheryl E Klein has relied on planning and hard work to reach her goals and avoid catastrophe But when she and her partner find their plans for a baby dashed over and over first by infertility then miscarriage and finally a breast cancer diagnosis Klein s carefully structured life marriage and belief system begin to crumble Adding a detour through the fickle world of open adoption seems like the last thing she should do yet where she lacks control she finds adventure Empathetic candid and often humorous Crybaby is the story of what happens when a failed perfectionist and successful hypochondriac is forced to make room in her life for grief and joy fear and hope all at the same time *The Christian Mama's Guide to Baby's First Year* Erin
