Hope is the Thing B. J. Hollars,2021-09-14 In March 2020 as a pandemic began to ravage our world writer and professor B J Hollars started a collaborative writing project to bridge the emotional challenges created by our physical distancing Drawing upon Emily Dickinson's famous poem Hope is the thing with feathers Hollars called on Wisconsinites to reflect on their own glimpses of hope in the era of COVID-19 The call resulted in an avalanche of submissions each reflecting on hope's ability to persist and flourish even in the darkest times As the one hundred essays and poems gathered here demonstrate hope comes in many forms a dad dance a birth plan an unblemished banana a visit from a neighborhood dog the revival of an old tradition empathy The contributors are racially geographically and culturally diverse representing a rough cross section of Wisconsin voices from truck driver to poet laureate from middle school student to octogenarian from small business owner to seasoned writer The result is a book length exploration of the depth and range of hope experienced in times of crisis as well as an important record of what Wisconsinites were facing and feeling through these historic times

All These Ashes James Queally,2021-10-12 Russell Avery needs a story to tell The laid off reporter

turned private investigator is almost out of clients after he stood up against the Newark police officers whose problems he used to fix for a paycheck exposing a scandal that left him on the wrong side of one of those thin blue lines Desperate for work Russell is as elated as he is skeptical when a detective shows up on his doorstep asking him to look into one of the Brick City s most haunting mysteries The Twilight Four killings The detective tells Russell a story almost too good to be true but maybe good enough to save his otherwise doomed journalism career if it is true Supposedly the wrong man was convicted in the brutal arson murders that claimed four teenagers lives and if Russell finds the right one he ll have the inside track on the kind of story that most reporters stake their careers on But things worth knowing don t make themselves easy to find As Russell starts untangling the complications of a decades old murder that never even had a crime scene to start from he runs into opposition from City Hall and finds himself drug into the middle of a contentious Mayoral race that could impact Newark for generations to come all while trying to stay one step ahead of the real Twilight Four killer who wouldn t mind reducing Russell to ash In the sequel to the critically acclaimed LINE OF SIGHT Russell Avery must once again try to figure out the definition of justice in a city where that term rarely applies to those who live below the poverty line
