Women Bishops and Rhetorics of Shalom Leland G. Spencer,2017-04-26 Women Bishops and Rhetorics of Shalom A Whole Peace argues that the theological concept of shalom offers a way forward for progressive Christians who want to advocate for social justice based on their faith in an increasingly globalizing world characterized by many faiths To do so the book considers the rhetorical leadership of three women bishops who are all firsts in important ways Marjorie Matthews the first woman bishop in any mainline Post Reformation church Leontine Kelly the first woman bishop of color in any mainline church and Katharine Jefferts Schori the first woman to lead a national church in the Anglican Communion This book is recommended for scholars interested in communications religious studies and gender studies *Like a Hammer Shattering Rock* Megan McKenna,2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark Matthew Luke and John and what they mean for the Church and society today In many ways modern audiences have become so familiar with the gospels that we've stopped listening and integrating their wisdom into our everyday lives Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world While some argue for the

development of new gospels for the 21st century McKenna argues that we haven't paid due attention to the ones we already have in many cases we've ignored sections of these teachings entirely and twisted their meaning to suit our own agendas McKenna breaks it down gospel by gospel and shows us how the lessons of Jesus's apostles continue to resonate
