The Parallax View By Slavoj Žek

Slavoj Žžek

The Parallax View By Slavoj Žižek:

The Parallax View Slavoj Žižek, 2009-02-13 In his long awaited magnum opus he theorizes the parallax gap in the ontological, the scientific and the political and rehabilitates dialectical materialism. The Parallax View is Slavoj Žižek's most substantial theoretical work to appear in many years; Žižek himself describes it as his magnum opus. Parallax can be defined as the apparent displacement of an object caused by a change in observational position; Žižek is interested in the parallax gap separating two points between which no synthesis or mediation is possible, linked by an impossible short circuit of levels that can never meet. From this consideration of parallax, Žižek begins a rehabilitation of dialectical materialism. Modes of parallax can be seen in different domains of today's theory, from the wave-particle duality in quantum physics to the parallax of the unconscious in Freudian psychoanalysis, between interpretations of the formation of the unconscious and theories of drives. In *The Parallax View*, Žižek, with his usual astonishing erudition, focuses on three main modes of parallax: the ontological difference, the ultimate parallax that conditions our very access to reality, the scientific parallax, the irreducible gap between the phenomenal experience of reality and its scientific explanation, which reaches its apogee in today's brain sciences, according to which nobody is home in the skull, just stacks of brain meat; a condition Žižek calls the unbearable lightness of being; no one, and the political parallax, the social antagonism that allows for no common ground. Between his discussions of these three modes, Žižek offers interludes that deal with more specific topics, including an ethical act in a novel by Henry James and anti-Semitism. *The Parallax View* not only expands Žižek's Lacanian-Hegelian approach to new domains, notably cognitive brain sciences, but also provides the systematic exposition of the conceptual framework that underlies his entire work. Philosophical and theological analysis, detailed readings of literature, cinema and music coexist with lively anecdotes and obscene jokes.

The Remains of Reason Dominik Finkelde, 2025-02-15 Unpacking the central role of the unconscious in the relationship between mind and world. Over a series of careful readings and accessible discussions prefaced by a foreword from Eric Santner, Dominik Finkelde analyzes the central role of the unconscious in the relationship between mind and world. Moving beyond Freud, Kant and Hegel and toward the contemporary work of the Ljubljana School, he explores how humans relate to facts and the influence of the unconscious on questions regarding truth, perception and meaning. Aspects of recognition and unconscious processes of transference are at stake in these fundamental questions of perception and knowledge, though these have been widely ignored in epistemological and ontological debates in contemporary philosophy. Finkelde draws on both the continental and analytic traditions, ultimately building from the work of current-day interlocutors to interrogate questions concerning the influence of enigmatic signifiers, the role of sublime objects of ideology, the importance of fantasy, cultivation and transgression, and the power of jouissance as an ontological factor. *The Parallax View* Slavoj Žižek, 2006 Seeks to rehabilitate dialectical materialism by discussing the parallax gap which separates two points because of the displacement of an object resulting from a change in observational position. **The Subject, This Inwardly Circumcised**

Jew, digital original edition Slavoj Žižek, 2014-01-10 Parallax can be defined as the apparent displacement of an object caused by a change in observational position Slavoj Žižek is interested in the parallax gap separating two points between which no synthesis or mediation is possible linked by an impossible short circuit of levels that can never meet In this BIT Žižek draws on Lacan F Scott Fitzgerald Kant Hegel and Marx to explore the philosophical implications of parallax *Parallax* Dominik Finkelde, Slavoj Žižek, Christoph Menke, 2023-02-23 Parallax or the change in the position of an object viewed along two different lines of sight and more precisely the assumption that this adjustment is not only due to a change of focus but a change in that object's ontological status has been a key philosophical concept throughout history Building upon Slavoj Žižek's The Parallax View this volume shows how parallax is used as a figure of thought that proves how the incompatibility between the physical and the theoretical touches not only upon the ontological but also politics and aesthetics With articles written by internationally renowned philosophers such as Frank Ruda Graham Harman Paul Livingston and Žižek himself this book shows how modes of parallax remain in numerous modern theoretical disciplines such as the Marxian parallax in the critique of political economy and politics and the Hegelian parallax in the concept of the work of art while also being important to debates surrounding speculative realism and dialectical materialism Spanning philosophy parallax is then a rich and fruitful concept that can illuminate the studies of those working in epistemology ontology German Idealism political philosophy and critical theory **Žižek and Freedom** Bradley Kaye, 2023-11-03 This book is an exploration of Žižek's theory of freedom By examining key passages in Žižek's work the aim is to provide a functional serviceable philosophy of power and ideology and show how this philosophy of power relates to freedom Although some like Noam Chomsky have criticized Žižek's work as having no guiding principles it is suggested that this misses the fact that Žižek's philosophy utilizes a dialectical methodology that often appears contradictory Though a highly astute reader with a background in the philosophical texts he frequently cites the German Idealists Freud and modern philosophers it becomes clear that there is a uniquely Žižekian philosophy that mobilizes a radical hermeneutics of freedom **The Puppet and the Dwarf** Slavoj Žižek, 2003-08-29 One of our most daring intellectuals offers a Lacanian interpretation of religion finding that early Christianity was the first revolutionary collective Slavoj Žižek has been called an academic rock star and the wild man of theory his writing mixes astonishing erudition and references to pop culture in order to dissect current intellectual pieties In The Puppet and the Dwarf he offers a close reading of today's religious constellation from the viewpoint of Lacanian psychoanalysis He critically confronts both predominant versions of today's spirituality New Age gnosticism and deconstructionist Levinasian Judaism and then tries to redeem the materialist kernel of Christianity His reading of Christianity is explicitly political discerning in the Pauline community of believers the first version of a revolutionary collective Since today even advocates of Enlightenment like Jürgen Habermas acknowledge that a religious vision is needed to ground our ethical and political stance in a postsecular age this book with a stance that is clearly materialist and at the same time indebted to the core of the Christian legacy is certain to

stir controversy **Incontinence of the Void** Slavoj Zizek, 2019-02-26 The formidably brilliant i ek considers sexuality ontology subjectivity and Marxian critiques of political economy by way of Lacanian psychoanalysis If the most interesting theoretical interventions emerge today from the interspaces between fields then the foremost interspaceman is Slavoj i ek In *Incontinence of the Void* the title is inspired by a sentence in Samuel Beckett's late masterpiece *Ill Seen Ill Said* i ek explores the empty spaces between philosophy psychoanalysis and the critique of political economy He proceeds from the universal dimension of philosophy to the particular dimension of sexuality to the singular dimension of the critique of political economy The passage from one dimension to another is immanent the ontological void is accessible only through the impasses of sexuation and the ongoing prospect of the abolition of sexuality which is itself opened up by the technoscientific progress of global capitalism in turn leading to the critique of political economy Responding to his colleague and fellow *Short Circuits* author Alenka Zupan i s *What Is Sex* i ek examines the notion of an excessive element in ontology that gives body to radical negativity which becomes the antagonism of sexual difference From the economico philosophical perspective i ek extrapolates from ontological excess to Marxian surplus value to Lacan's surplus enjoyment In true i ekian fashion *Incontinence of the Void* focuses on eternal topics while detouring freely into contemporary issues from the Internet of Things to Danish TV series **Zizek's Jokes** Slavoj Zizek, 2018-02-23 i ek as comedian jokes in the service of philosophy A serious and good philosophical work could be written consisting entirely of jokes Ludwig Wittgenstein The good news is that this book offers an entertaining but enlightening compilation of i ekisms Unlike any other book by Slavoj i ek this compact arrangement of jokes culled from his writings provides an index to certain philosophical political and sexual themes that preoccupy him i ek's *Jokes* contains the set ups and punch lines as well as the offenses and insults that i ek is famous for all in less than 200 pages So what's the bad news There is no bad news There's just the inimitable Slavoj i ek disguised as an impossibly erudite politically incorrect uncle beginning a sentence There is an old Jewish joke loved by Derrida For i ek jokes are amusing stories that offer a shortcut to philosophical insight He illustrates the logic of the Hegelian triad for example with three variations of the Not tonight dear I have a headache classic first the wife claims a migraine then the husband does then the wife exclaims Darling I have a terrible migraine so let's have some sex to refresh me A punch line about a beer bottle provides a Lacanian lesson about one signifier And a truly obscene version of the famous aristocrats joke has the family offering a short course in Hegelian thought rather than a display of unspeakables i ek's *Jokes* contains every joke cited paraphrased or narrated in i ek's work in English including some in unpublished manuscripts including different versions of the same joke that make different points in different contexts The larger point being that comedy is central to i ek's seriousness **Zizek: A Guide for the Perplexed** Sean Sheehan, 2012-03-22 An up to date guide to the key ideas and writings of one of the most widely read Cultural Theorists working today *Slavoj Zizek and Dialectical Materialism* Agon Hamza, Frank Ruda, 2016-01-26 This book is the first volume to bring together the most prominent scholars who work on

Slavoj i ek s philosophy examining and interrogating his understanding of dialectical materialism It deserves to be thoroughly and systematically elaborated because it attempts to propose a new foundation for dialectical materialism **Žižek and Performance** B. Chow,A. Mangold,2014-10-17 The first edited volume to examine philosopher Slavoj i ek s influence on and his relevance for theatre and performance studies Featuring a brand new essay from i ek himself this is an indispensable contribution to the emerging field of Performance Philosophy **Zizek Now** Jamil Khader,Molly Anne Rothenberg,2013-05-03 Arguably the most prolific and most widely read philosopher of our time Slavoj i ek has made indelible interventions into many disciplines of the so called human sciences that have transformed the terms of discussion in these fields Although his work has been the subject of many volumes of searching criticism and commentary there is no assessment to date of the value of his work for the development of these disciplines i ek Now brings together distinguished critics to explore the utility and far ranging implications of i ek s thought and provide an evaluation of the difference his work makes or promises to make in their chosen fields As such the volume offers chapters on quantum physics and i ek s transcendentalist materialist theory of the subject Hegel s absolute materialist Christianity postcolonial violence eco politics ceremonial acts and the postcolonial revolutionary subject Contributors to the volume include Adrian Johnston Ian Parker Todd McGowan Bruno Bosteels Erik Vogt Verena Conley Joshua Ramey Jamil Khader and i ek himself **The Puppet Called Theology, digital original edition** Slavoj Zizek,2014-01-10 Slavoj i ek the wild man of theory famously mixes astonishing erudition and references to pop culture in his dissections of current intellectual pieties In this BIT he considers religion from the viewpoint of Lacanian psychoanalysis pondering a dialectical materialist theology and comparing monotheistic and polytheistic violence **Zizek and Heidegger** Thomas Brockelman,2011-11-03 i ek and Heidegger offers a radical new interpretation of the work of Slavoj i ek one of the world s leading contemporary thinkers through a study of his relationship with the work of Martin Heidegger Thomas Brockelman argues that i ek s oeuvre is largely a response to Heidegger s philosophy of finitude an immanent critique of it which pulls it in the direction of revolutionary praxis Brockelman also finds limitations in i ek s relationship with Heidegger specifically in his ambivalence about Heidegger s techno phobia Brockelman s critique of i ek departs from this ambivalence a fundamental tension in i ek s work between a historicist critical theory of techno capitalism and an anti historicist theory of revolutionary change In addition to clarifying what i ek has to say about our world and about the possibility of radical change in it i ek and Heidegger explores the various ways in which this split at the center of his thought appears within it in i ek s views on history or on the relationship between the revolutionary leader and the proletariat or between the analyst and the analysand **Žižek Responds!** Dominik Finkelde,Todd McGowan,2023-02-23 Responses to the Slovenian philosopher Slavoj i ek have been like i ek himself extreme Critics have accused him of charlatanism on the one hand while others have lauded his genius especially as a public intellectual on the other This makes it difficult to find any kind of nuanced or interesting critical appraisal of his work At its

best i ek s work provides a new foundation of dialectical philosophy beyond the glitz of stardom or oversimplified sinister disdain i ek Responds combines philosophers and theorists engaging with i ek s philosophy in order to explore its unnoticed implications its conceptual problems or its unrealized potential With detailed and lively responses from i ek himself this book offers an unique insight into how this thinker might explain clarify and hone some of his most controversial and misunderstood ideas At once an introduction to i ek s most important concepts and a rare and novel insight into his thoughts on the criticisms of his work this is indispensable reading for both i ekians and their critics **Repeating Žižek** Agon Hamza,2015-05-17 Repeating i ek offers a serious engagement with the ideas and propositions of philosopher Slavoj i ek Often subjecting i ek s work to a i ekian analysis this volume s contributors consider the possibility or impossibility of formalizing i ek s ideas into an identifiable philosophical system They examine his interpretations of Hegel Plato and Lacan outline his debates with Badiou and evaluate the implications of his analysis of politics and capitalism upon Marxist thought Other essays focus on i ek s approach to Christianity and Islam his sloppy method of reading texts his relation to current developments in neurobiology and his theorization of animals The book ends with an afterword by i ek in which he analyzes Shakespeare s and Beckett s plays in relation to the subject The contributors do not reach a consensus on defining a i ekian school of philosophy perhaps his idiosyncratic and often heterogeneous ideas simply resist synthesis but even in their repetition of i ek they create something new and vital Contributors Henrik J ker Bjerre Bruno Bosteels Agon Hamza Brian Benjamin Hansen Adrian Johnston Katja Kol ek Adam Kotsko Catherine Malabou Benjamin Noys Geoff Pfeifer Frank Ruda Oxana Timofeeva Samo Tom ic Gabriel Tupinamb Fabio Vighi Gavin Walker Sead Zimeri Slavoj i ek *Ontological Catastrophe: Žižek and the Paradoxical Metaphysics of German Idealism* Joseph Carew,2023-11-28 In *Ontological Catastrophe* i ek and the Paradoxical Metaphysics of German Idealism Joseph Carew delves deep into the complex interplay between Slavoj i ek s philosophy and the metaphysical propositions of German Idealism Carew s book meticulously examines i ek s unique blend of psychoanalysis Marxism and continental philosophy offering insightful analyses of the paradoxes inherent in German Idealist thought Carew s writing is erudite and densely packed with references to key philosophical texts making this book essential reading for anyone interested in contemporary continental philosophy and its intersections with psychoanalysis Carew s ability to navigate through i ek s intricate ideas while situating them within the broader context of German Idealism showcases his deep understanding of both philosophical traditions Joseph Carew a respected scholar in the field of continental philosophy brings his expertise to this groundbreaking work shedding new light on the philosophical implications of i ek s theories and their connection to German Idealism *Ontological Catastrophe* is a must read for philosophers academics and students seeking to explore the complexities of contemporary philosophy through the lens of i ek and German Idealism *The Monstrosity of Christ* Slavoj Zizek,John Milbank,2011-02-25 A militant Marxist atheist and a Radical Orthodox Christian theologian square off on everything from the meaning of theology and Christ to the war machine

of corporate mafia What matters is not so much that i ek is endorsing a demythologized disenchanted Christianity without transcendence as that he is offering in the end despite what he sometimes claims a heterodox version of Christian belief John Milbank To put it even more bluntly my claim is that it is Milbank who is effectively guilty of heterodoxy ultimately of a regression to paganism in my atheism I am more Christian than Milbank Slavoj i ek In this corner philosopher Slavoj i ek a militant atheist who represents the critical materialist stance against religion s illusions in the other corner Radical Orthodox theologian John Milbank an influential and provocative thinker who argues that theology is the only foundation upon which knowledge politics and ethics can stand In *The Monstrosity of Christ* i ek and Milbank go head to head for three rounds employing an impressive arsenal of moves to advance their positions and press their respective advantages By the closing bell they have not only proven themselves worthy adversaries they have shown that faith and reason are not simply and intractably opposed i ek has long been interested in the emancipatory potential offered by Christian theology And Milbank seeing global capitalism as the new century s greatest ethical challenge has pushed his own ontology in more political and materialist directions Their debate in *The Monstrosity of Christ* concerns the future of religion secularity and political hope in light of a monsterful event God becoming human For the first time since i ek s turn toward theology we have a true debate between an atheist and a theologian about the very meaning of theology Christ the Church the Holy Ghost Universality and the foundations of logic The result goes far beyond the popularized atheist theist point counterpoint of recent books by Christopher Hitchens Richard Dawkins and others i ek begins and Milbank answers countering dialectics with paradox The debate centers on the nature of and relation between paradox and parallax between analogy and dialectics between transcendent glory and liberation Slavoj i ek is a philosopher and cultural critic He has published over thirty books including *Looking Awry* *The Puppet and the Dwarf* and *The Parallax View* these three published by the MIT Press John Milbank is an influential Christian theologian and the author of *Theology and Social Theory Beyond Secular Reason* and other books Creston Davis who conceived of this encounter studied under both i ek and Milbank *The Symbolic, the Sublime, and Slavoj Zizek's Theory of Film* M. Flisfeder, 2016-01-20 Returning to questions about ideology and subjectivity Flisfeder argues that Slavoj i ek s theory of film aims to re politicize film studies and film theory bringing cinema into the fold of twenty first century politics

The book delves into The Parallax View By Slavoj Iek. The Parallax View By Slavoj Iek is a vital topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into The Parallax View By Slavoj Iek, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to The Parallax View By Slavoj Iek
- Chapter 2: Essential Elements of The Parallax View By Slavoj Iek
- Chapter 3: The Parallax View By Slavoj Iek in Everyday Life
- Chapter 4: The Parallax View By Slavoj Iek in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of The Parallax View By Slavoj Iek. This chapter will explore what The Parallax View By Slavoj Iek is, why The Parallax View By Slavoj Iek is vital, and how to effectively learn about The Parallax View By Slavoj Iek.
3. In chapter 2, the author will delve into the foundational concepts of The Parallax View By Slavoj Iek. This chapter will elucidate the essential principles that must be understood to grasp The Parallax View By Slavoj Iek in its entirety.
4. In chapter 3, this book will examine the practical applications of The Parallax View By Slavoj Iek in daily life. This chapter will showcase real-world examples of how The Parallax View By Slavoj Iek can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of The Parallax View By Slavoj Iek in specific contexts. This chapter will explore how The Parallax View By Slavoj Iek is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The Parallax View By Slavoj Iek. The final chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Parallax View By Slavoj Iek.

The Parallax View By Slavoj Iek Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Parallax View By Slavoj Iek free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Parallax View By Slavoj Iek free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Parallax View By Slavoj Iek free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Parallax View By Slavoj Iek. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Parallax View By Slavoj Iek any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Parallax View By Slavoj Iek Books

What is a The Parallax View By Slavoj Iek PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to

view or print it. **How do I create a The Parallax View By Slavoj Iek PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Parallax View By Slavoj Iek PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Parallax View By Slavoj Iek PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Parallax View By Slavoj Iek PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
