blood which flowed in his veins He had the appearance of a man having strong amorous passions but his manners were as gentle as those of a woman and he was universally popular throughout the whole county His wife was a woman of unusual beauty Descended from an old Spanish family she had married when but sixteen years of age Mr Etheridge having met her at the house of some friends and as they mutually fell in love with each other their united entreaties overcame the objection raised on account of her youth and in fact the warm blood that flowed in her veins had ripened her beauty to an extent almost unusual in those of more phlegmatic races **The Zoist** ,1847 **The Publishers' Trade List Annual** ,1983 **Isis Unveiled** H. P. Blavatsky,1994-04-25 HPB s first major work originally published in 1877 The most astounding compendium of occult facts and theories in Theosophical literature It proclaims the existence of mystery schools under the guardianship of men who are servants for truth It outlines a movement by the Guardians of the Ancient Wisdom to preserve and protect the ageless truths until in later times they would again become known for the spiritual benefit of all *Demons of the Body and Mind* Ruth Bienstock Anolik,2014-01-10 The Gothic mode typically preoccupied by questions of difference and otherness consistently imagines the Other as a source of grotesque horror The sixteen critical essays in this collection examine the ways in which those suffering from mental and physical ailments are refigured as Other and how they are imagined to be monstrous Together the essays highlight the Gothic inclination to represent all ailments as visibly monstrous even those such as mental illness which were invisible Paradoxically the Other also becomes a pitiful figure often evoking empathy This exploration of illness and disability represents a strong addition to Gothic studies Haydn's Dictionary of Popular Medicine and Hygiene Anonymous,2023-04-19 Reprint of the original first published in 1874 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Marianne Meets the Mormons** Heather Belnap,Corry Cropper,Daryl Lee,2022-10-25 In the nineteenth century a fascination with the Church of Jesus Christ of Latter day Saints made Mormons and Mormonism a common trope in French journalism art literature politics and popular culture Heather Belnap Corry Cropper and Daryl Lee bring to light French representations of Mormonism from the 1830s to 1914 arguing that these portrayals often critiqued and parodied French society Mormonism became a pretext for reconsidering issues such as gender colonialism the family and church state relations while providing artists and authors with a means for working through the possibilities of their own evolving national identity Surprising and innovative Marianne Meets the Mormons looks at how nineteenth century French observers engaged with the idea of Mormonism in order to reframe their own cultural preoccupations
