The Little Book of Revelation Eli of Kittim, 2013-02 This book is a fascinating study in search of the real Jesus The author concludes that scripture is essentially a collection of prophecies not a record of past events Jesus did not say Blessed is he who heeds the words of the history of this book but rather Blessed is he who heeds the words of the prophecy of this book Thus the current tenets of Christianity with regard to the origin and advent of Jesus are based on fundamental misconceptions The book's argument is that Christ's visitation has not yet occurred in the world of time since it is a future event and that his origin will be derived from the Greeks not the Jews when he does appear

52 *Churches* Peter DeHaan,2018-12-04 They say there s no such thing as a perfect church Well one author decided to test that theory out for himself Peter DeHaan spent an entire year roaming from one church to another visiting 52 different Christian congregations In the process he learned what makes these places of worship unique what makes newcomers feel like they belong and what cringe worthy shenanigans are guaranteed to keep visitors from ever coming back In his travels Peter learned about different denominations and worship styles as well as what happens when imperfect humans gather

together in the name of a perfect God What he discovered was occasionally funny always interesting and at times absurd So absurd that he wrote a book about his experiences 52 Churches is part religious expos part travel memoir and 100% authentic Peter refuses to hold back his punches You ll cringe when this Christian author is singled out by a fire and brimstone preacher unnecessarily determined to save his soul out of hell You ll find yourself thankful that you weren t in Peter s shoes when the pastor told his congregation to greet one another with a holy kiss You ll read about Christian practices that are far different from your own and in the process gain a deeper understanding of believers from all walks of life and denominational backgrounds Protestant mainline evangelical and charismatic Roman Catholic and more If you re a pastor trying to engage newcomers a seasoned church member looking for some chuckles or a spiritual lurker curious about what goes on beneath the steeples of America s churches today this book was written for you Read 52 Churches now for an insightful unforgettable read about the strange and mysterious believers who meet together behind closed doors each and every Sunday
