Len Richman, 2015-08-13 *Shivers Signposts: The Journey Continues* is Len Richman's second exploration of a life measured out by a distinct rhythm of his own devising. Picking up where his first memoir *Raindrops Glimpses Moments* An Unconventional Memoir of an Unplanned Journey left off, Richman shows in *Shivers Signposts* that he still has much to do and much to say. Richman attacks life with uncommon vigour. Never motionless, he moves forwards and sometimes backwards, suffusing each manoeuvre with unique energy, vitality, and constant evolution. Shivers at the thought of growing old, becoming stale, occasional alienation and loneliness. Richman is driven onwards by a pressing need to redefine and redirect his innermost self, a self that he continually re-evaluates through the lens of modern technology, literature, theatre, and film. These are the signposts that guide him through his fascinating quest for renewal of spirit and self. Let us hear his decisive commentary on modern social and cultural mores, his unapologetic tackling of issues from racism to materialism to present-day psychoanalysis. Let us listen to the music of Richman's own Love Song about the love of a life well lived and still well worth living. Let us be challenged through Richman's examination of his own life to ask of ourselves: How should we presume?
