### **Fire and Emergency Services Administration: Management and Leadership Practices Includes Navigate**

**Advantage Access** L. Charles Smeby Jr., L. Charles Smeby Jr., 2021-03-22 This book is designed to be a progressive primer for students who want more knowledge about fire and emergency services administration. The book demonstrates the importance of the following skills necessary to manage and lead a fire and emergency services department through the challenges and changes of the 21st century: Persuasion and influence, accountable budgeting, anticipation of challenges and the need for change, and using specific management tools for analyzing and solving problems. A central part of the book focuses on how the leadership of a fire and emergency services department develops internal and external cooperation to create a coordinated approach to achieving the department's mission. ### **Foundations of Education:**

**An EMS Approach** National Association of EMS Educators (NAEMSE), 2019-07-15 The evolving field of emergency medical services (EMS) requires professional educators who are knowledgeable about teaching and learning strategies, classroom management, assessment and evaluation, technology in learning, legal implications in education, program infrastructure design, and administering programs of excellence to meet state and national accreditation guidelines. *Foundations of Education: An EMS Approach*, Third Edition provides EMS educators with the tools, ideas, and information necessary to succeed in each of these areas. The content reflects how current educational knowledge and theory uniquely apply to EMS students, educators, and programs. This textbook is used in the NAEMSE Instructor Courses and is an excellent reference for all EMS educators as well as educators in allied health professions. *Evidence Based Content* In addition to foundational topics such as teaching philosophy and classroom management, the text covers brain-based learning, accreditation, and program evaluation, emerging technologies, and assessment strategies. It guides educators to write objectives, prepare lesson plans, and deliver education in engaging ways to maximize student learning. Grounded in this information, EMS educators can promote effective education regardless of the type of course or setting. *Highlights* Covers current educational theory and teaching methodologies specific to EMS. Meets and exceeds the latest DOT National Guidelines for Educating EMS Instructors. Offers practical advice and scenarios in the form of Teaching Tips and Case in Points. **Backpacker**, 2001-03 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature, and product innovation, has become the gold standard against which all other outdoor industry awards are measured. *Final Environmental Impact Statement on NIH Guidelines for Research Involving Recombinant DNA Molecules* National Institutes of Health (U.S.), 1977
