interviews **My Journey Back from Pornography** David R. Jain, 2012-08 The title of this book says it all a carefully documented journey that took place over the course of forty years being horribly addicted to pornography This book describes in detail the introduction to pornography how it became first and foremost in every aspect of life and the extent of the addiction The single years were totally submerged in pornography but the journey continued through time in the military becoming engaged to be married and producing a child The goal in writing this account is to make this book available to every man and woman who may be experiencing the grip of pornography on their lives and that feel like life is slowly being choked out of them It illustrates that there is an escape available through Jesus Christ and His written word In today's society more than ever people need to be educated about pornography so that they can understand just what it can really do to a life whether a person is young or old In the darkest times of life when a person feels like no one can hear them or cares about what they are going through this book is a reminder that there is a God that hears and cares deeply if a person just simply trusts in Him and lets Him work in their life **My Journey Back Home** Dawn Watson, 2018-06-06 Sometimes pain

makes its mark on our lives in such profound ways that it feels like they start to define who we are The more we try to hide the pain by wearing masks to show the world that everything is fine the more that pain does not allow us to have a life full of real love and real joy My story is about this kind of pain But beyond that it's about the real process of healing It's about how I finally understood the reason for so much suffering Amid all the mess in my life I found my way back to my safe harbor to my truth and my self love In this book my deepest desire is to take you the reader on a journey of love understanding and acceptance so that you can Leave behind the cycle of suffering and experience the relief and support you will need for the next steps Rebuild your relationships starting with yourself followed by everyone who is important in your life Reconnect with your self value and your own truth so that you can live according to your purpose in life Experience forgiveness and allow yourself to be truthfully happy Free the strength inside yourself *The Journey Back to Me* Leondra

Harris, 2020-03-26 The journey back to me started with my mind body and spirit and oh did it feel so good My mind would linger in the past at times but I know that when my God takes something away he will always have something better for me My mind has been placed at ease I am able to sleep the nights through now I can breathe again This is the peace of God that surpasses all understanding This is the peace of me loving me on a different level This is where I close my eyes and say hmm for God's goodness grace and mercy Now when I walk into my apartment there is a warmth of love It was me that I have been missing The greatest love was inside of me all along Greater is he that is in me than he that is in the world I was the one that made my house a home *My Journey Back, My One Mile* Shandra Love, 2004-09-22 This book allows the reader to be

up close and personal to the emotional roller coaster that was the result of Shandra losing her little sister Angel Sadly enough this would come only fifty two days after losing her favorite aunt Its blunt emotion packed and will have you laughing and crying as she details the many situations that theyd find themselves in and the bond that had them so in tune to one another that even they would shudder at its power The flashbacks from their childhood are uniquely ushered in and will allow you to step back in time to experience each moment as she had Often called Super Woman because of the way that shed come to care for and look after everyone else yet maintain all that applied this would become a thing of the past as it was she who would find herself in need of a savior The grief denial and depression would become so severe that itd cause her friend and daughters to experience thoughts and concerns that they never had to worry about before This just in Super Woman is down
