Narratives of Dependency Elke Brüggen, Marion Gymnich, 2024-05-20 Given that strong asymmetrical dependencies have shaped human societies throughout history this kind of social relation has also left its traces in many types of texts Using written and oral narratives in attempts to reconstruct the history of asymmetrical dependency comes along with various methodological challenges as the 15 articles in this interdisciplinary volume illustrate They focus on a wide range of different factual and fictional text types including inscriptions from Egyptian tombs biblical stories novels from antiquity the Middle High German Rolandslied Ottoman court records captivity narratives travelogues the American gift book The Liberty Bell and oral narratives by Caribbean Hindu women Most of the texts discussed in this volume have so far received comparatively little attention in slavery and dependency studies The volume thus also seeks to broaden the archive of texts that are deemed relevant in research on the histories of asymmetrical dependencies bringing together perspectives from disciplines such as Egyptology theology literary studies history and anthropology

Cobbett's Parliamentary Debates Great Britain. Parliament, 1884 *Parliamentary Debates* , 1884 **The Captive and the Gift** Bruce Grant, 2016-05-15 The Caucasus region of Eurasia wedged in between the Black and Caspian Seas encompasses the modern territories of Armenia Azerbaijan and Georgia as well as the troubled republic of Chechnya in southern Russia A site of invasion conquest and resistance since the onset of historical record it has earned a reputation for fearsome violence and isolated mountain redoubts closed to outsiders Over extended efforts to control the Caucasus area Russians have long mythologized stories of their countrymen taken captive by bands of mountain brigands In *The Captive and the Gift* the anthropologist Bruce Grant explores the long relationship between Russia and the Caucasus and the means by which sovereignty has been exercised in this contested area Taking his lead from Aleksandr Pushkin s 1822 poem *Prisoner of the Caucasus* Grant explores the extraordinary resonances of the themes of violence captivity and empire in the Caucasus through mythology poetry short stories ballet opera and film Grant argues that while the recurring Russian captivity narrative reflected a wide range of political positions it most often and compellingly suggested a vision of Caucasus peoples as thankless lawless subjects of empire who were unwilling to acknowledge and accept the gifts of civilization and protection extended by Russian leaders Drawing on years of field and archival research Grant moves beyond myth and mass culture to

suggest how real life Caucasus practices of exchange by contrast aimed to control and diminish rather than unleash and increase violence The result is a historical anthropology of sovereign forms that underscores how enduring popular narratives and close readings of ritual practices can shed light on the management of pluralism in long fraught world areas

Free China Review ,1980 Voices from Captivity Robert C. Russia in Asia Jane F. Hacking,Jeffrey S. Hardy,Matthew P. Romaniello,2020-07-22 This edited volume presents new research on Russian Asian connections by historians art historians literary scholars and linguists Of particular interest are imagined communities social networks and the legacy of colonialism in this important arena of global exchanges within the imperial Soviet and post Soviet eras Individual chapters investigate how Russians imagined Asia and its inhabitants how these different populations interacted across political and cultural divides and how people in Siberia China and other parts of Asia reacted to Russian imperialism both in its formal and informal manifestations A key strength of this volume is its interdisciplinary approach to the topic challenging readers to synthesize multiple analytical lenses to better understand the multivalent connections binding Russia and Asia together *Accounts and Papers of the House of Commons* Great Britain. Parliament. House of Commons,1878 *British Captives from the Mediterranean to the Atlantic, 1563-1760* Nabil Matar,2014-06-26 *British Captives from the Mediterranean to the Atlantic 1563 1760* provides the first study of British captives in the North African Atlantic and Mediterranean from the reign of Elizabeth I to George II Based on extensive archival research in the United Kingdom Nabil Matar furnishes the names of all captives while examining the problems that historians face in determining the numbers of early modern Britons in captivity Matar also describes the roles which the monarchy parliament trading companies and churches played or did not play in ransoming captives He questions the emphasis on religious polarization in piracy and shows how much financial constraints royal indifference and corruption delayed the return of captives As rivarly between Britain and France from 1688 on dominated the western Mediterranean and Atlantic Matar concludes by showing how captives became the casus belli that justified European expansion *Captives* Natalii[a] Perova,Natalii[a] Petrova,Joanne Turnbull,2005 Now classics in Russian literature these stories focusing on the theme of captivity have again become relevant today given Russia s growing bureaucratic totalitarianism and the unending war in the Caucasus The stories are grouped in two sections The Perestroika Chaos and Remembering the Soviet Past The first section often verging on the absurd conveys the chaos in the lives and minds of ordinary Russians in the face of unfamiliar market conditions These problems caused many of those unable to adapt to them to feel nostalgic for the

seemingly secure Soviet past The second section is a reminder of that Soviet past for those including some left wing intellectuals in the West who tend to forget its inhuman essence Book Jacket
