what it means to be a capable 18th century woman and what it means in the modern world As Claire explores different models of strength in both periods Jamie comes to understand the nuances of male honor power and alternative sexuality through the contrasting figures of Black Jack and Lord John As the heroes negotiate the complications of marriage and life they make discoveries about gender that resonate with modern audiences

Entertainment Weekly The Ultimate Guide to Outlander Kostya Kennedy,Alyssa Smith,Amy Wilkinson,2021 There are many reasons to be grateful for Outlander but chief among them is the fact that it distracts us from the challenges of daily life in this particularly weird era we re living through It does so with rugged men in kilts breathtaking vistas gorgeous interiors and dresses beautiful enough to make you weep More important it promotes the idea that one can live on whisky and oatcakes and still have exceptionally dewy skin If that s not living the dream what is But the main reason to be grateful for Outlander has a long name Claire Elizabeth Beauchamp Randall Fraser The biggest miracle is that Outlander has been unswerving in its fealty to a noble cause the idea that a woman s many lives whether professional sexual personal political and psychological are all worth exploring with respect care and some well modulated irreverence Claire experiences consequences for her actions after all there wouldn t be much drama if she didn t But Outlander plumbs her heart soul and mind without punishing her for being calculating impetuous forthright horny intelligent and witty
