ASTRAL PROJECTION FOR BEGINNERS

A person is walking away from the viewer on a wooden bridge with railings. The bridge leads towards a very bright, glowing light source in the distance, creating a silhouette effect. The surrounding environment is dark and atmospheric, with some faint, wispy light trails or smoke-like effects. The overall color palette is dominated by dark blues, purples, and oranges, with the bright light source providing a strong contrast.

difference is that you're wide awake. Just as the physical world exists made up of cars and streets and buildings, the astral world exists too, and so when we leave our physical body and enter the astral plane, we are projecting our body into that invisible world. While it can take a while to become proficient at astral travel, this book will take you step by step through the process and give you everything you need to experience this phenomenon yourself. How To Travel The World Beyond Just Dreaming and Without Leaving Your Home. Proven Techniques Inside. How you ever had this feeling the moment you were transitioning from awake to sleep that is absolutely amazing? Would you like to see yourself and travel wherever you want without moving your physical body? Have you ever wondered if Astral Projection is real or not and whether you can learn it without becoming a master yogi or some type of meditation guru? If you answered Yes to at least one of these questions, please read on. I was wrong. Dead wrong. I thought that astral projection and all those out of body experiences are just some hallucinations or magical gimmicks that are not even real. Oh may I was wrong. It was the first time I was in India about 15 years ago when I spent over 6 months there and got the experience beyond my expectations. And inside this book, I would like to share with you probably the most exciting piece of that experience and teach you how you can safely leave your body and achieve the level of connection with it you didn't think was possible. And that goes beyond just traveling the world. Take a look at what's inside. What is astral projection and why can it be valuable to you beyond just an
