Ordnance Field Manual United States. War Department,1942 Field Guide to Covering Local News Fred Bayles,2012 In the latest installment of the Field Guide series Fred Bayles takes you step by step through the process of identifying and covering the events and issues that matter most to your community For the five local beats cops courts emergencies schools and government you ll learn where to go for information and how to organize and present the stories your neighbors want and need An overview of tools and techniques include tips on how to find sources conduct interviews work with editors tap the power of the crowd and think multimedia Then for each beat you ll get specifics on People The best official and unofficial sources of info and what to ask them Places Where to go on the beat and what to look for while you re there Documents Where to find records in offices and online how to decipher and use them Stories Overview of common story types and how to go beyond them Resources Glossary of key terms checklists helpful web links **A World Without Police** Geo Maher,2021-08-24 Tens of millions of people poured onto the streets for Black Lives Matter bringing with them a wholly new idea of public safety common security and the delivery of justice communicating that vision in the fiery vernacular of riot

rebellion and protest A World without Police transcribes these new ideas written in slogans and chants over occupied bridges and hastily assembled barricades into a compelling must read manifesto for police abolition Compellingly argued and lyrically charged A World without Police offers concrete strategies for confronting and breaking police power as a first step toward building community alternatives that make the police obsolete Surveying the post protest landscape in Minneapolis Philadelphia Chicago and Oakland as well as the people who have experimented with policing alternatives at a mass scale in Latin America Maher details the institutions we can count on to deliver security without the disorganizing interventions of cops neighborhood response networks community based restorative justice practices democratically organized self defense projects and well resourced social services A World without Police argues that abolition is not a distant dream or an unreachable horizon but an attainable reality In communities around the world we are beginning to glimpse a real lasting justice in which we keep us safe Government Reports Annual Index ,1975 **Police Visibility** Bryce Clayton Newell,2021-06-15 Police Visibility presents empirically grounded research into how police officers experience and manage the information politics of surveillance and visibility generated by the introduction of body cameras into their daily routines and the increasingly common experience of being recorded by civilian bystanders Newell elucidates how these activities intersect with privacy free speech and access to information law and argues that rather than being emancipatory systems of police oversight body worn cameras are an evolution in police image work and state surveillance expansion Throughout the book he catalogs how surveillance generates information the control of which creates and facilitates power and potentially fuels state domination The antidote he argues is robust information law and policy that puts the power to monitor and regulate the police squarely in the hands of citizens **Monthly Catalog of United States Government Publications** United States. Superintendent of Documents,1984 Monthly Catalogue, United States Public Documents ,1978 **The Criminal Justice Periodical Index** ,1988 Suicide Risk Assessment and Prevention Maurizio Pompili,2022-12-19 This book explores suicide prevention perspectives from around the world considering both professionals points of view as well as first person accounts from suicidal individuals Scholars around the globe have puzzled over what makes a person suicidal and what is in the minds of those individuals who die by suicide Most often the focus is not on the motives for suicide nor on the phenomenology of this act but on what is found from small cohorts of suicidal individuals This book offers a tentative synthesis of a complex phenomenon and sheds some light on models of suicide that are less frequently encountered in the literature Written by international experts it makes a valuable contribution to the field of suicidology that appeals to a wide readership from mental health professionals to researchers in suicidology and students *United States Government Publications Monthly Catalog* ,1949 The G.I. Collector's Guide: U.S. Army Service Forces Catalog, European Theater of Operations Henri-Paul Enjames,2022-09-21 In World War II the U S Army not only supplied its soldiers with the most modern equipment and uniforms suitable for any combat situation but went as far as providing them with their favorite drinks or

candy bars and seemingly anything else they might require This comprehensive reference book brings together all the equipment issued to American soldiers in the European Theater of Operations 1943-45 Each item is presented with its catalog numbers described in detail and fully depicted in photographs including close ups of the labels to aid identification of items Graphics and diagrams offer additional information and context This second volume of the G I Collector's Guide is fully revised with the addition of sections including personal equipment trophies and souvenirs the wartime draft and Stateside training and the life of POWs in German camps More than one thousand new artifacts with detailed captions are featured in this completely revised new work Expert Henri Paul Enjames describes all variations of uniform insignia badges weapons and equipment in detail As a complete catalog with high quality photographs this book is invaluable to both family historians researching grandpa's kit found in the attic and to collectors in their quest to find authentic items among the reproductions that flood the modern market

Magpie Alert Darryl Jones, 2002 Wherever people live in Australia magpies tend to be found there too These very familiar birds are one of our most loved and admired wild birds Yet during the breeding season many magpies become extremely aggressive toward people sometimes causing serious injury or distress especially to children The fact that this is a very common well loved yet sometimes dangerous neighbor makes solving the magpie human conflict very complicated This book provides for the first time a comprehensive guide to everything that is known about this bird why it attacks and what we can do about it

Reader's Guide to Periodical Literature Supplement, 1914 *Not of the Living Dead* Noah Simon Jampol, Cain Miller, Leah Richards, 2023-03-03 A killer monkey Suburban witchcraft Motorcycle jousting A cockroach invasion Despite this enticing list of other subjects George A Romero is best known for the genre defining 1968 film *Night of the Living Dead* and subsequent zombie films The non zombie films in his decades long career have gotten varied degrees of critical examination but they remain underexamined compared to the Dead flicks This book focuses on Romero's other work highlighting lesser known films such as *There's Always Vanilla* 1971 and *Bruiser* 2000 as well as more popular films such as *Martin* 1977 and *The Crazies* 1973 It examines how his body of work participates in social critique by delving into issues such as capitalism's pitfalls and excesses domestic and racial power imbalances and our patriarchal culture's expectations of masculinity femininity and sexuality

Department of Justice to Guantanamo Bay: From the Department of Justice to Guantanamo Bay : administration lawyers and administration interrogation rules : hearing before the Subcommittee on the Constitution, Civil Rights, and Civil Liberties of the Committee on the Judiciary, One Hundred Tenth Congress, second session United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution, Civil Rights, and Civil Liberties, 2008 The Army Lawyer, 2007 *Disarm, Defund, Dismantle* Shiri Pasternak, Kevin Walby, Abby Stadnyk, 2022 Canadian laws are just the police uphold the rule of law and treat everyone equally and without the police communities would descend into chaos and disorder These entrenched myths rooted in settler colonial logic work to obscure a hard truth the police do not keep us safe This edited collection brings

together writing from a range of activists and scholars whose words are rooted in experience and solidarity with those putting their lives on the line to fight for police abolition in Canada Together they imagine a different world one in which police power is eroded and dissolved forever one in which it is possible to respond to distress and harm with assistance and care
