Joshi,2016-03-18 Through his collaborations with today s most talented and acclaimed practitioners of Lovecraftian fiction editor S T Joshi has made the Black Wings of Cthulhu series essential for every library of horror and the macabre Volume four offers up seventeen new masterpieces each exploring the roots of fear employed so famously by the master himself H P Lovecraft

Edwidge Danticat Mary Ellen Snodgrass,2022-06-06 A comet in the mounting firmament of third world non white female writers Edwidge Danticat stands apart An accomplished trilingual children s and YA author she is also an activist op ed and cinema writer and keynote speaker Much of her work introduces the world to the cultural

uniqueness of Haiti the first black republic and the elements of African heritage language and Vodou that continue to color all aspects of the island's art and self-expression. This companion provides an in-depth look into the world and writings of Danticat through A-Z entries. These entries cover both her works and the prevalent themes of her writing including colonialism, slavery, superstition, adaptation, dreams, and coming of age. It also provides a biography of Danticat, a list of 32 aphorisms from her fiction, a guide to the names and histories of the real places in her fiction, lesson planning aids, and a robust glossary offering translations and definitions for the many Creole, French, Japanese, Latin, Spanish, and Taino terms in Danticat's writing.

The Canadian Experience of the Great War Brian Douglas Tennyson, 2013-05-01 Although the United States did not enter the First World War until April 1917, Canada enlisted the moment Great Britain engaged in the conflict in August 1914. The Canadian contribution was great as more than 600,000 men and women served in the war effort, 400,000 of them overseas out of a population of 8 million. More than 150,000 were wounded and nearly 67,000 gave their lives. The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values. The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself. Although many scholars have brilliantly analyzed the literature of the war, little has been done to catalog the writings of ordinary participants: men and women who served in the war and wrote about it but are not included among well-known poets, novelists, and memoirists. Indeed, we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication. Brian Douglas Tennyson's The Canadian Experience of the Great War: A Guide to Memoirs is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans.

Gathering Crowds Paul Hensler, 2021-04-28 When baseball's reserve clause was struck down in late 1975 and ushered in free agency, club owners feared it would ruin the game; instead, there seemed to be no end to the baseball fever that would grip America. In Gathering Crowds: Catching Baseball Fever in the New Era of Free Agency, Paul Hensler details how baseball grew and evolved from the late 1970s through the 1980s. Trepidation that without the reserve clause only wealthy teams would succeed diminished when small-market clubs in Minnesota, Kansas City, and Boston found their way to pennants and World Series titles. The proliferation of games broadcast on cable and satellite systems seemed to create a thirst for more baseball rather than discourage fans from going to the ballpark. And as fans clicked the turnstiles and purchased more and more team-licensed products, the national pastime proved it could survive and thrive even as other professional sports leagues vied for the public's attention. By the end of the 1980s, baseball had positioned itself to progress into the future stronger and more popular than ever. Gathering Crowds reveals how the national pastime moved beyond the grasp of the reserve clause to endure a lengthy strike and drug scandals and then prosper as it never had before. The book also offers insight into how societal issues

influenced baseball in this new era from women in the clubhouses and minorities finally named as managers to a gay player's debut at the big league level *Gathering Crowds* is a fascinating examination of baseball's transformation during this unprecedented era

3 Minute JRR Tolkien: A Visual Biography of The World's Most Revered, 2013-01-28 As Peter Jackson's cinematic *hobbits* set forth 3 Minute Tolkien celebrates the enduring influence of the world's most revered fantasy writer It offers a readable absorbing structure dividing J R R Tolkien's life and cultural contribution into 60 neat portions every one digestible in a mere three minutes 20 mini sections each on Life Work and Influence From a childhood inventing new languages in the sylvan landscape of the Severn valley through a First World War that saw him witness the horrors of the Somme to academic success founded on a passion for Old English tales we trace Tolkien's life and look at the way in which it informs his creation of imaginary worlds so intricately mapped that modern readers writers and artists continue to explore them in a quest for their myths monsters and meaning
