The Taming Of The Shrew Annotated:

The Taming of the Shrew(Annotated Edition) William Shakespeare,2022-02-18 Love and marriage are the concerns of Shakespeare's *The Taming of the Shrew*. Lucentio's marriage to Bianca is prompted by his idealized love of an apparently ideal woman. Petruchio's wooing of Katherine however is free of idealism. Petruchio takes money from Bianca's suitors to woo her since Katherine must marry before her sister by her father's decree he also arranges the dowry with her father. Petruchio is then ready to marry Katherine even against her will. Katherine the shrew of the play's title certainly acts much changed. But have she and Petruchio learned to love each other? Or is the marriage based on terror and deception? The authoritative edition of *The Taming of the Shrew* from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes: Freshly edited text based on the best early printed version of the play. Newly revised explanatory notes conveniently placed on pages facing the text of the play. Scene by scene plot summaries. A key to the play's famous lines and phrases. An introduction to reading Shakespeare's language. An essay by a leading Shakespeare scholar providing a modern perspective on the play. Fresh images from the Folger Shakespeare Library's vast holdings of rare books. An up to date annotated guide to further reading. Essay by Karen Newman. The Folger Shakespeare Library in Washington DC is home to the world's largest collection of Shakespeare's printed works and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year the Folger offers a full calendar of performances and programs. For more information visit folger.edu.

The Taming of the Shrew Annotated William Shakespeare,2021-09-28 *The Taming of the Shrew* is a comedy by William Shakespeare believed to have been written between 1590 and 1592. The play begins with a framing device often referred to as the induction in which a mischievous nobleman tricks a drunken tinker named Christopher Sly into believing he is actually a nobleman himself. The nobleman then has the play performed for Sly's diversion. The main plot depicts the courtship of Petruchio and Katherine, the headstrong, obdurate shrew. Initially Katherine is an unwilling participant in the relationship, however Petruchio tames her with various psychological torments such as keeping her from eating and drinking until she becomes a desirable, compliant and obedient bride. The subplot features a competition between the suitors of Katherine's younger sister Bianca, who is seen as the ideal woman. The question of whether the play is misogynistic or not has become the subject of considerable controversy, particularly among modern scholars, audiences and readers. Prior to the first act an induction frames the play as a kind of history played in front of a befuddled drunkard named Christopher Sly who is tricked into believing that he is a lord. The play is performed in order to distract Sly from his wife who is actually Bartholomew, a servant dressed as a woman. In the play performed for Sly the shrew is Katherine, the eldest daughter of Baptista Minola, a lord in Padua. Numerous men, including Gremio and Tranio, deem Katherine an unworthy option for marriage because of her notorious assertiveness and willfulness. On the other hand, men such as Hortensio and Gremio are eager to marry her younger sister Bianca. However, Baptista has

sworn Bianca is not allowed to marry until Katherina is wed this motivates Bianca's suitors to work together to find Katherina a husband so that they may compete for Bianca. The plot thickens when Lucentio who has recently come to Padua to attend university falls in love with Bianca. Overhearing Baptista say that he is on the lookout for tutors for his daughters, Lucentio devises a plan in which he disguises himself as a Latin tutor named Cambio in order to woo Bianca behind Baptista's back and meanwhile has his servant Tranio pretend to be him. In the meantime Petruchio accompanied by his servant Grumio arrives in Padua from Verona. He explains to Hortensio an old friend of his that since his father's death he has set out to enjoy life and wed. Hearing this Hortensio recruits Petruchio as a suitor for Katherina. He also has Petruchio present Baptista a music tutor named Litio Hortensio in disguise. Thus Lucentio and Hortensio attempt to woo Bianca while pretending to be the tutors Cambio and Litio. To counter Katherina's shrewish nature Petruchio pretends that any harsh things she says or does are actually kind and gentle. Katherina agrees to marry Petruchio after seeing that he is the only man willing to counter her quick remarks; however at the ceremony Petruchio makes an embarrassing scene when he strikes the priest and drinks the communion wine. After the wedding Petruchio takes Katherina to his home against her will. Once they are gone Gremio and Tranio disguised as Lucentio formally bid for Bianca with Tranio easily outbidding Gremio. However in his zeal to win he promises much more than Lucentio actually possesses. When Baptista determines that once Lucentio's father confirms the dowry Bianca and Tranio i.e. Lucentio can marry, Tranio decides that they will need someone to pretend to be Vincentio, Lucentio's father. Meanwhile Tranio persuades Hortensio that Bianca is not worthy of his attentions thus removing Lucentio's remaining rival.

The Taming of the Shrew Annotated And Illustrated Book William Shakespeare, 2020-06-07 In the English countryside a poor tinker named Christopher Sly becomes the target of a prank by a local lord. Finding Sly drunk out of his wits in front of an alehouse the lord has his men take Sly to his manor, dress him in his finery and treat him as a lord. When Sly recovers the men tell him that he is a lord and that he only believes himself to be a tinker because he has been insane for the past several years. Waking in the lord's bed Sly at first refuses to accept the men's story but when he hears of his wife a pageboy dressed in women's clothing he readily agrees that he is the lord. They purport him to be Sly wants to be left alone with his wife but the servants tell him that a troupe of actors has arrived to present a play for him. The play that Sly watches makes up the main story of *The Taming of the Shrew*. In the Italian city of Padua a rich young man named Lucentio arrives with his servants Tranio and Biondello to attend the local university. Lucentio is excited to begin his studies but his priorities change when he sees Bianca a beautiful mild young woman with whom Lucentio instantly falls in love. There are two problems: first Bianca already has two suitors Gremio and Hortensio; second Bianca's father a wealthy old man named Baptista Minola has declared that no one may court Bianca until first her older sister the vicious ill-tempered Katherina is married. Lucentio decides to overcome this problem by disguising himself as Bianca's Latin tutor to gain an excuse to be in her company. Hortensio disguises himself as her music teacher for the same reason. While Lucentio pretends to be Bianca's

tutor Tranio dresses up as Lucentio and begins to confer with Baptista about the possibility of marrying his daughter
