Iwuala . CPA FCA, 2023-11-22 The purpose of this book is to help couples to build solid marriages devoid of financial conflicts and marital dissolutions due to money arguments in marriage by understanding financial planning in marriage God's design for marriage

commitment in marriage and the need to put one's spouse above the love for money. This book will help rescue couples teetering on the edges of separation and divorce because of money arguments in marriage. Scholarly research has found that thousands of couples are separated or divorced yearly because of money arguments in marriage. The enemy of the family knows that once couples are separated, those under their care such as their children will be vulnerable to all kinds of social vices such as drug use, dropping out of school, ending up in jail, prostitution, and having children as single parents. Children raised in broken homes do not perform well in a society like those born and raised in two-parent homes. *Peoplewatching* Desmond Morris, 2012-11-30. *Peoplewatching* is the culmination of a career of watching people, their behaviour and habits, their personalities and their quirks. Desmond Morris shows us how people consciously and unconsciously signal their attitudes, desires, and innermost feelings with their bodies and actions, often more powerfully than with their words. *E.S.P.* D. Anne Liebroder, Lawrence A. Liebroder B.A., 2012-01-11. **Silent Witnesses** Sally A. Comer, 2014-09-25. Set in the future with major advancements in technology, the United States no longer exists; there are now seven worldwide regions. The United Northern Alliance, made up of Canada, Mexico, and the United States, is where the story begins with a group of survivors living outside the protected areas in the wilderness of the former eastern United States. Pastor Ezra and his small group, including men, women, and children, are forced to move to the northern caves in Virginia in hopes of finding other believers and continuing the mission of spreading the good news of salvation through Jesus. Follow the journey of Ezra's group and two escapes from the godless protected areas as their faith, trust, and resilience are challenged while they try to survive, to find a greater mission, and wait for the return of Jesus. **The Complete Guide to Writing Effective and Award Winning Business Proposals** Jean Wilson Murray, 2008. One of the best storytellers who ever lived, Arthur C. Clarke. In one dazzling decade, French novelist Jules Verne took readers to places they'd never gone before: the age of dinosaurs, the undersea realm of Atlantis, the craters and crevices of the moon, and a whirlwind aerial tour of the planet Earth. Though he penned his unforgettable yarns in French, Verne plunked big parts of them down in America. And he himself possessed an American sassiness, nerve, and sense of humor, so Americans have returned the

compliment we've released dozens of Hollywood films based on his astonishing tales and we've created the U.S.S. Nautilus, the NASA space missions and other technological triumphs that have turned Verne's visions into practical reality. Here are Jules Verne's best-loved novels in one convenient omnibus volume but with a huge difference. This book features new, accurate, accessible, and unabridged translations of these five visionary classics, translations that are complete down to the smallest substantive detail that showcase Verne's far-seeing science with unprecedented clarity and accuracy, capture the wit, prankishness, and showbiz flamboyance of one of literature's leading humorists and satirists. This is a Verne almost completely unknown to Americans yet a Verne who has an uncannily American mindset. So these heroes and happenings are part of our heritage: Phileas Fogg chugging across the wild, wild west; the impossible underground journey of Professor Lidenbrock; the deep-sea exploits of secretive Captain Nemo; and a moon shot so realistic it inspired U.S. astronaut Frank Borman a full century later. Jules Verne was a science buff with a showbiz background, and finally these classic stories have a translator with the same orientation. Frederick Paul Walter is one of America's foremost Verne scholars. But he's also a scriptwriter, broadcaster, and part-time fossil hunter. Enriched with dozens of classic illustrations, *The Amazing Journeys of Jules Verne* will be a family favorite in every home library. Jules Verne was born in 1828 into a French lawyering family in the Atlantic coastal city of Nantes. Though his father sent him off to a Paris law school, young Jules had been writing on the side since his early teens, and his pet topics were the theater, travel, and science. Predictably enough, his legal studies led nowhere, so Verne took a day job with a stock brokerage in his off hours, penning scripts for farces and musical comedies while also publishing short stories and novelettes of scientific exploration and adventure. His big breakthrough came when he combined his theatrical knack with his scientific bent and in 1863 published an African adventure yarn, *Five Weeks in a Balloon*. After that and till his death in 1905, Jules Verne was one of the planet's best-loved and best-selling novelists, publishing over sixty books. In addition to the five visionary classics in this volume, other imaginative favorites by him include *The Mysterious Island*, *Hector Servadac*, *The Begum's Millions*, *Master of the World*, and *The Meteor Hunt*. Verne ranks among the five most translated authors in history, along with Mark Twain and the Bible. Frederick Paul Walter is a scriptwriter, broadcaster, librarian, and amateur paleontologist. A Trustee of the North American Jules Verne Society, he served as its Vice President from 2000 to 2008. Walter has produced many media programs, articles, reviews, and papers on aspects of Jules Verne and has collaborated on translations and scholarly editions of three Verne novels: *The Meteor Hunt*, *The Mighty Orinoco*, and a special edition of *20,000 Leagues Under the Seas* for the U.S. Naval Institute in Annapolis. Known to friends as Rick, Walter lives in Albuquerque, New Mexico.
