Planning and Scheduling Professional Certification Study Guide Peter Griesmyer, 2012-02-13 AACE International's Planning and Scheduling

Professional PSP Certification Study Guide was developed to aid professionals wishing to achieve AACE International's specialty certification in Planning and Scheduling. The study guide also summarizes various topics considered central to the planning and scheduling profession as outlined in AACE International's Recommended Practice 14R 90 Responsibility and Required Skills for a Planning and Scheduling Professional along with the current editions of the Skills and Knowledge of Cost Engineering and the Total Cost Management Framework.

Earned Value Professional Certification Study Guide Ken Cressman, Gary Humphreys, 2012-03-02 The AACE International Earned Value Professional EVP Certification Study Guide has been developed to accomplish two purposes similar to that of the AACE International CCC CCE Certification Study Guide. First it is intended to aid professionals wishing to achieve AACE International's specialty certification in Earned Value Management EVM. Second the intent of the Earned Value Professional Certification Study Guide is to assemble and summarize various topics considered essential for Earned Value Professional EVP knowledge as outlined in AACE International's Recommended Practice 11R 88 Required Skills and Knowledge of Cost Engineering and included in the current edition of AACE International's Skills and Knowledge of Cost Engineering. This publication will serve the needs of EVM professionals who are preparing to take the AACE International EVP certification examination. This publication is organized in a concise and easy to follow format and covers the major skills and knowledge used by an EVM professional. The information contained in this Earned Value Professional Certification Study Guide parallels the related topics of the Skills and Knowledge of Cost Engineering and the CCC CCE Certification Study Guide. These publications can be combined for a course of study in both cost engineering and earned value management. The publications include sample problems related to the subject matter. Terms and phrases incorporated in the Earned Value Professional Certification Study Guide are generic to the profession and listed in AACE International's Recommended Practice 10S 90 and the Glossary of Terms of this study guide. The terms and phrases used in industry and technical software may not always agree precisely with your understanding; therefore consult the EVP Glossary found in Appendix A. The goal of the AACE International Education Board is to continually improve this publication making it a living document that will be revised as needed to support the EVP exam while maintaining the recognized strengths described above. All are encouraged to offer comments and suggestions for improvements in future editions. Please forward comments to the Education Board at AACE International.

Certification Study Guide for Certified Cost Engineer (CCE), Certified Cost Consultant (CCC). Deeana Coopridge, Harry W. Jarnagan, 1996

CCC/CCE Certification Study Guide Michael Pritchett, 2012-04-03 Congratulations! You are obviously serious about becoming AACE International certified since you are about to purchase this book. This CCC CCE Certification Study Guide is designed to be a companion workbook to the Skills and Knowledge of Cost Engineering 5th Edition S K 5. The information contained in S K 5 represents the minimum general knowledge a cost engineering professional is expected to have. This study

guide does not teach specifically to the CCC CCE exam Rather the CCC CCE Certification Study Guide is intended to assist you in your study and review of the overall topics contained in S K 5 as one step toward successful certification To successfully pass the exam a candidate must know the basic principles and how they apply to everyday work issues and not just parrot back example questions Exam questions are often structured differently than the examples Therefore a full working understanding of the material and concepts is needed to pass Annuaire Des Organisations Internationales ,
