personality to the mix The Ambassador's Notebook Viorel Panaite, 2025-05-22 Using never before studied documents from Manuscript Turc 130 BnF Paris compiled in a unique structure by Ambassador François Savary de Brèves Viorel Panaite offers a comprehensive picture of the Ottoman Mediterranean around 1600 with the French as protagonists He explores the foreigner's condition in the Abode of Islam consular jurisdiction the Flemish as protagonists and takes the reader on a journey to the cities of Marseille Tunis Alexandria Aleppo and Istanbul He focuses on the capitulations provisions about merchants navigation trade goods and taxes as well as diplomatic efforts to curb the illegal actions of provincial authorities ship captains North African pirates and English privateers *Staging, Playing, Pyrotechnics and Magic: Conventions of Performance in Early English Theatre* Philip Butterworth, 2022-02-07 In this selection of research articles Butterworth focuses on investigation of the practical and technical means by which early English theatre from the fifteenth to the early seventeenth century was performed Matters of staging for both pageant vehicle and theatre in the round are described and analysed to consider their impact on playing by players expositors narrators and prompters All these operators also functioned to promote the closely aligned disciplines of pyrotechnics and magic legerdemain or sleight of hand which also influence the nature of the presented theatre The sixteen chapters form four clearly identified parts staging playing pyrotechnics and magic and drawing on a wealth of primary source material Butterworth encourages the reader to rediscover and reappraise the actors magicians wainwrights and wheelwrights pyrotechnists and in modern terms the special effects people and event managers who brought these early texts to theatrical life on busy city streets and across open arenas The chapters variously explore and analyse the important backwaters of material culture that enabled facilitated and shaped performance yet have received scant scholarly attention It is here among the itemised payments to carpenters and chemists the noted requirements of mechanics and wheelwrights or tucked away among the marginalia of suppliers of staging and ingenious devices that Butterworth has made his stamping ground This is a fascinating introduction to the very nuts and bolts of early theatre *Staging Playing Pyrotechnics and Magic Conventions of Performance in Early English Theatre* is a closely argued celebration of stagecraft that will appeal to academics and students of performance theatre history and medieval studies as well as history and literature more broadly It constitutes the eighth volume in the Routledge series *Shifting Paradigms in Early English Drama Studies* and continues the valuable work of that series of which Butterworth is a general editor in bringing significant and expert research articles to a wider audience CS 1105 **The Alexander Hamilton Signature Notebook** Cider Mill Press, 2016-11-15 Scribble brainstorm or sketch your own big ideas alongside the most inspiring words of Alexander Hamilton in this elegantly designed Signature Notebook There is a certain enthusiasm in liberty that makes human nature rise above itself in acts of bravery and heroism Alexander Hamilton Alexander Hamilton is arguably one of the most inspiring if not the most significant of our Founding Fathers and today Hamilton's legacy of brilliance still rewards us all His defense and advocacy of the Constitution continue to shape our political discourse and his

profound impact on our then fledgling nation was accomplished largely through the power of his written word Now you can put pen to paper in your very own Alexander Hamilton Signature Notebook and let his words encourage and inspire you as you record your daily musings The Alexander Hamilton Notebook is part of the Signature Notebook series all of which are filled with inspirational quotes for dreamers thinkers and writers of all ages alongside striking rarely seen images throughout This beautiful pocket sized notebook features a moleskin like binding cream paper stock and an elegant ribbon page marker so you can always pick up where you left off and Hamilton s removable portrait wraps around the foil stamped front cover which is debossed with his signature The Signature Notebook series features some of the most prominent figures in our society from William Shakespeare and Jane Austen to JFK and Michelle Obama and Alexander Hamilton adds another inspirational personality to the mix

Not by Bread Alone Robert Nalbandov, 2016 Since its independence in 1991 Russia has struggled with the growing pains of defining its role in international politics After Vladimir Putin ascended to power in 2000 the country undertook grandiose foreign policy projects in an attempt to delineate its place among the world s superpowers With this in mind Robert Nalbandov examines the milestones of Russia s international relations since the turn of the twenty first century He focuses on the specific goals engagement practices and tools used by Putin s administration to promote Russia s vital national and strategic interests in specific geographic locations His findings illuminate Putin s foreign policy objective of reinstituting Russian global strategic dominance Nalbandov argues that identity based politics have dominated Putin s tenure and that Russia s east west split is reflected in Asian European politics Nalbandov s analysis shows that unchecked domestic power an almost exclusive application of hard power and determined ambition for unabridged global influence and a defined place as a world superpower are the keys to Putin s Russia

Vulnerability and the Legal Organization of Work Martha Albertson Fineman, Jonathan W. Fineman, 2017-07-06 This book uses the concepts of vulnerability and resilience to analyze the situation of individuals and institutions in the context of the employment relationship It is based on the premise that both employer and employee are vulnerable to various social economic and political forces although differently so It demonstrates how in responding to those complementary institutional relationships of employer and employee the state unequally and inequitably favors employers over employees Several chapters included in this collection also consider how the state shapes creates and maintains through law the social identities of employer and employee and how that legal regime operates as the allocation of power and privilege This unique and fundamental role of the state in defining the employment relationship profoundly affects the respective abilities and degree of resiliency of actual employers and employees Other chapters explore how attention to the respective vulnerability and resilience of those who do and those who direct work in assessing the employment relationship can raise fundamental questions of social justice and suggest new avenues for critical engagement with labor and employment law Collectively these pieces articulate a framework for imaging what would constitute an appropriately Responsive State in the employment context and how those

interested in social justice might begin to use the concepts of vulnerability and resilience in their arguments *Knowledge Discovery in Big Data from Astronomy and Earth Observation* Petr Skoda,Fathalrahman Adam,2020-04-09 Knowledge Discovery in Big Data from Astronomy and Earth Observation Astrogeoinformatics bridges the gap between astronomy and geoscience in the context of applications techniques and key principles of big data Machine learning and parallel computing are increasingly becoming cross disciplinary as the phenomena of Big Data is becoming common place This book provides insight into the common workflows and data science tools used for big data in astronomy and geoscience After establishing similarity in data gathering pre processing and handling the data science aspects are illustrated in the context of both fields Software hardware and algorithms of big data are addressed Finally the book offers insight into the emerging science which combines data and expertise from both fields in studying the effect of cosmos on the earth and its inhabitants **Listening**

to Women on the Right Rachel Friedman,Nichelle D. McNabb,Kristen L.
