The Gift By Hafez:

The Gift Hafiz, 1999-08 With this stunning gift edition of 250 of Hafiz's most intimate poems Ladinsky has succeeded brilliantly in translating the essence of one of Islam's greatest poetic and religious voices Walker's Hibernian Magazine, Or, Compendium of Entertaining Knowledge, 1787 *The English Review, Or, An Abstract of English and Foreign Literature*, 1787 Delphi Collected Poetical Works of Hafez (Illustrated) Hafez, 2017-01-28 www.delphiclassics.com **Like a Deer**

Panteth Cynthia Rovnaghi, 2018-07-23 This is a God-inspired work of fiction stirred in the month of September 2016 by an inner calling to reveal a depth of historical figures living in and events occurring in Asia Minor soon after the death of Jesus two thousand years ago Too often we forget about ways of living that have been in practice for thousands of years We are not the authors or inventors of Christianity This book is about the purity and vastness of relationship with God and one another Do we have as much zeal for the Three in One today as our predecessors After two thousand years do we fail to practice living in the Kingdom of God daily Are we willing to acknowledge that God is the doer and each of us is called to use our gifts as willing partners in fellowship with God and his creation Are we waiting for someday to arrive before we experience the fullness of God What does it mean to grow up in Jesus Is abundance only spiritual or is it also earthly What does it mean to stand as having a new nature created by Jesus **The Linguist and Educational Review**, 1874 Light Upon Light

Andrew Vidich, 2008-07-08 *Light Upon Light* is a book to touch the heart and awaken the spirit It takes the lives of some of the great spiritual masters of the last millennium from Rumi to twentieth century saint Darshan Singh and illuminates their inner quests More than simply biography *Light Upon Light* delves into their perceptions of the world the innermost workings of their minds and the life incidents that led them to enlightenment In this sense *Light Upon Light* is not about the spiritual path it is designed to take the reader and carry them into the spiritual path and perceive the wisdom of the masters from within While author Andrew Vidich PhD has exemplary academic credentials he writes from the heart and calls the reader to a direct experience a felt sense of the core of these masters' teachings He also emphasizes meditation as the universal constant taught by all masters and has provocative exercises in each chapter to stimulate self-reflection contemplation and to give the reader experience of practical meditation techniques This is a book to be treasured by both long-time spiritual students and those new to the great masters of the path Endgames Hicham Bou Nassif, 2020-10 Explores the different
