

The background of the book cover is a photograph of a sunset or sunrise over a body of water. The sky is filled with dark, dramatic clouds, and the sun is a bright orange glow on the horizon. The water is calm, reflecting the light from the sky. In the foreground, several dark, jagged rocks are partially submerged in the water. The overall mood is serene and contemplative.

meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports [The Charismatic Movement](#) Charles Edwin

Jones,1995 **Which Way the Wind Blows** Judith Cremer,2007-04 In 1976 Don and Judy Cremer and their two very young children moved into a Christian commune in an inner city district of Portland Oregon Participants in a risky outreach experiment they expected to experience all things in common with their co habitants But suddenly thrust into a myriad of both personal and corporate struggles they unexpectedly discovered the uncommon and often miraculous protection and provision of God Coping with dangers and dilemmas and developing discernment of the winds of the Spirit without being blown away by every wind of doctrine has produced an indelible imprint of spiritual maturity in their lives Written with delightful candor and authenticity Judy s memoir allows us a peek over her shoulder taking us back in time 30 years Her story is just as compelling and relevant for today as she touches on the Vietnam War era Ford s presidency the birth of the New Monastic Movement Born in Portland Oregon Judith Cremer returned there at age 19 after meeting and marrying her husband Donald in California It was there in the midst of the Jesus Movement revival of the 1970s they experienced the events chronicled in this memoir Following her career as a retail store manager and paralegal during the 1980s and 90s she now relishes the slower pace of life in the Arkansas Ozarks She and Don have four grown children and six grandchildren and one of their favorite pastimes is traveling around the country visiting them They enjoy renovating their historic home and remain occupied working with various local ministries For many years Judith wrote a monthly column in her church s newsletter and has led and formatted women s Bible studies Judith has numerous essays and short stories to her credit dealing with current events women s interest and Christian growth This is her first book **Meditations on the Holy Spirit of God** Sheldon Stephenson,2012-01-30 Within these pages we find forty nine meditations on the Holy Spirit that are born of reflection on a wide variety of Scripture passages from both the Old and New Testament from Genesis to Revelation The author s vast pastoral experience permeates his words as he reminds us that the Spirit dwells within each of us His meaningful and insightful exploration of Scripture gently invites us to meditate on the Word to realize how the working of the Spirit is intricately woven into the fabric of our everyday lives and to pray with the Spirit who is ever present to us Although readers may find this book to be a worthy companion particularly during the seven weeks between Easter and Pentecost these meditations insights and prayers can be used with great benefit at any time as the Spirit moves The fruit of the Spirit is offered for all who wish to deepen their spiritual life *Joy in His Presence* Joan Winmill Brown,1982 **From Horseback to Desktop PC** Doug Bower,2007-03 You have struggled with doubt and skepticism yourself As you present your faith and think about it you find it difficult to share it with nonbelievers This is not because you are afraid to but because skeptics just

don't seem to want to understand This contributes to your doubt and skepticism Still though you struggle with your faith you find that what you do believe is congruent with the Christian tradition and with Scripture itself This work does not attempt to convince the reader to believe a certain way Rather it is simply the expression of faith from a modern circuit rider It serves as a facilitator of expressing faith of thinking about it and hopefully stimulating others to express their faith in the contexts of skepticism and traditional acceptance Should you disagree with the points of the book great I simply hope that you will present your own version in some form Maybe you'll write your own book
