## THOMAS BERNHARD

### A NOVEL

"A COMPLEX AND UNSETTLING NOVEL...  
ABOUT GENIUS AND OBSESSION...MIRRORING  
THE THOUGHT PROCESS OF A COMPULSIVE MIND."

— THE NEW YORK TIMES BOOK REVIEW

# The Loser By Thomas Bernhard

**Bianca Theisen**

## **The Loser By Thomas Bernhard:**

The Loser Thomas Bernhard, 2010-11-10 Thomas Bernhard was one of the most original writers of the twentieth century His formal innovation ranks with Beckett and Kafka his outrageously cantankerous voice recalls Dostoevsky but his gift for lacerating lyrical provocative prose is incomparably his own One of Bernhard's most acclaimed novels *The Loser* centers on a fictional relationship between piano virtuoso Glenn Gould and two of his fellow students who feel compelled to renounce their musical ambitions in the face of Gould's incomparable genius One commits suicide while the other the obsessive witty and self-mocking narrator has retreated into obscurity Written as a monologue in one remarkable unbroken paragraph *The Loser* is a brilliant meditation on success failure genius and fame

**The Loser** Thomas Bernhard, 1993 Bernhard's imaginary account of a friendship with the pianist Glenn Gould explores the soul of the artist and the world of isolation solitude and obsession that often accompanies genius

**Thomas Bernhard** Gitta Honegger, 2001-01-01 Thomas Bernhard 1931-1989 a literary figure of international acclaim and arguably Austria's greatest post-World War II writer became the first of his generation to expose unrelentingly his country's pathological denial of complicity in the Holocaust Bernhard's writings and indeed his own biography reflect Austria's fraught efforts to define itself as a nation following the collapse of the Habsburg monarchy and the trauma of World War II Repeatedly he scandalized the nation with novels plays and public statements that exposed the convoluted ways Austrians were attempting to come to terms with their Nazi past or defiantly avoiding doing so This book the first comprehensive biography of Thomas Bernhard in English examines his life and work and their intricate relationship to Austria's geographical political and cultural transformations in the twentieth century While Bernhard was the scourge of his native culture Honegger explains he was also a product of that same culture Appreciation of his controversial impact on his society is possible only through an understanding of the contradictions the shame and the achievements that mark Austrians' self-perception in the postwar years Honegger shows that for Bernhard the theater was not only a profession but also a paradigm for his life and that performance was the primary force animating his writing and self-construction Even after his death Bernhard's carefully constructed biography continues to fascinate shock and expose the Austrian culture at large

**Woodcutters** Thomas Bernhard, 2019-09-03 LRB BOOKSHOP'S AUTHOR OF THE MONTH ONE OF THE GUARDIAN'S BEST BOOKS OF 2019 WITH A NEW AFTERWORD BY ANNE ENRIGHT AUTHOR OF THE ACTRESS If you haven't read Bernhard you will not know of the most radical advance in fiction since Joyce My advice dive in Lucy Ellmann I absolutely love Bernhard he is one of the darkest and funniest writers A must read for everybody Karl Ove Knausgaard An unnamed writer arrives at an artistic dinner hosted by a composer and his society wife a couple he once admired but has now come to detest They have been brought together by their friend Joana's suicide but the guest of honour a famous actor from the Burgtheater is late As the guests await his arrival little do they know that they are being subjected to the narrator's merciless scrutiny from his wing-backed throne the targets of a tirade of epic frenzied proportions When the

star actor finally arrives he ushers in an explosive end to the evening that is impossible to see coming Originally banned in Thomas Bernhard's homeland Woodcutters brutally exposes the hollow pretentiousness of the Austrian bourgeoisie in an unforgettable firework display of humour and horror

**Three-part Inventions** Thomas Cousineau, 2008 This critical survey of Thomas Bernhard's novels highlights a recurring theme of three in Bernhard's work Thomas J Cousineau argues that each of Bernhard's novels although firmly anchored in Austrian history emerges from an archetypal story involving three figures protagonist scapegoat and author

*Fragments* Jack Fuller, 1997-12-22 Vietnam veteran Bill Morgan haunted by an incident in which civilians were shot and killed seeks out his former sergeant Jim Neumann after their return to the U S for an explanation of what really happened in the village of Xuan The

Thomas Bernhard's Afterlives Olaf Berwald, Stephen D. Dowden, Gregor Thuswaldner, 2020-10-01 In his prose fiction memoirs poetry and drama Thomas Bernhard 1931-1989 one of the 20th century's most uniquely gifted writers created a new and radical style seemingly out of thin air His books never tell a story in the received sense Instead he rages on the page he rants and spews vitriol about the moral failures of his homeland Austria in the long amnesiac aftermath of the Second World War Yet this furious prose seemingly shapeless but composed with unparalleled musicality and taxing by conventional standards has been powerfully echoed in many writers since Bernhard's death in 1989 These explorers have found in Bernhard's singular accomplishment new paths for the expression of life and truth Thomas Bernhard's Afterlives examines the international mobilization of Bernhard's style Writers in Italian German Spanish Hungarian English and French have succeeded in making Bernhard's Austrian vision an international vision This book tells that story

**The Loser** Thomas Bernhard, 2013-02-21 Thomas Bernhard 1931-1989 has been hailed by Gabriel Josipovici as Austria's finest postwar writer and by George Steiner as one of the masters of contemporary European fiction Faber Finds is proud to reissue a selection of four of Bernhard's finest novels The Loser centres on a fictional relationship between piano virtuoso Glenn Gould and two of his fellow students who feel compelled to renounce their musical ambitions in the face of Gould's incomparable genius One commits suicide while the other the obsessive witty and self-mocking narrator has retreated into obscurity Written as a monologue in one remarkable unbroken paragraph The Loser is a brilliant meditation on success failure genius and fame

**Textual Entanglements** Jacob Haubenreich, 2025-05-15 Textual Entanglements explores how the material processes of writing manifest in the published works of three twentieth-century Austrian authors Peter Handke Thomas Bernhard and Rainer Maria Rilke These authors left behind material traces of their writing processes whether in notebooks piles of disorganized typewritten sheets or manuscript fragments The materials do not merely act as containers for their texts They spill into the semantic content of the writing becoming entangled in it The idiosyncratic materials and methods of the writing process do not disappear when the work enters print Examining these material traces Textual Entanglements contends that we cannot fully understand these texts semantic dynamics without considering the material circumstances of their production Jacob Haubenreich reads Handke Bernhard and Rilke to argue

that the materiality of textual production opens up a broader semiotic field in which meaning can be created Haubenreich's book offers a theoretical framework and methodological models for integrating analysis of textual materiality into literary analysis in ways that expand the boundaries of literary interpretation      **Thomas Bernhard: Language, History, Subjectivity**

,2023-07-10 Thomas Bernhard one of the most significant post war European writers continues to fascinate The twenty essays in this bilingual volume offer new readings of the Austrian writer's works via three interconnected strands language history and subjectivity In Austria Bernhard was often viewed as an enfant terrible Yet after his death in 1989 he has increasingly undergone what novelist Alexander Schimmelbusch calls a Mozartisation Against this background the volume refocuses attention on Bernhard's works themselves underlining why these continue to be subversive and compelling The essays in this volume address Bernhard's creative linguistic interventions his theatrical verve his literary persona and his response to the traumatic historical legacy which continues to shape Austrian subjectivities long after 1945 Thomas Bernhard einer der bedeutendsten europäischen Nachkriegsautoren wurde in Österreich oft als enfant terrible wahrgenommen Nach seinem Tod in 1989 kam es jedoch immer mehr zu einem Prozess der Mozartisierung Alexander Schimmelbusch dem Versuch Bernhard in das offizielle österreichische Selbstbild einzureihen Vor diesem Hintergrund lenkt dieser Band die Aufmerksamkeit wieder auf Bernhards Werke selbst und unterstreicht warum diese nach wie vor subversiv spannend und nicht zuletzt irritierend sind Unter den miteinander verbundenen Themenschwerpunkten Sprache Geschichte und Subjektivität befassen sich die Beiträge mit Bernhards kreativen sprachlichen Interventionen seiner theatralischen Präsenz seiner literarischen Persona und seiner Reaktion auf das traumatische historische Erbe das die österreichischen Subjektivitäten noch lange nach 1945 prägt Auch aber keineswegs nur deshalb hat Bernhard nichts von seiner Faszination eingebüßt      **The**

**Secret Miracle** Daniel Alarcón,2010-04-13 The world's best contemporary writers from Michael Chabon and Claire Messud to Jonathan Lethem and Amy Tan engage in a wide ranging insightful and oft surprising roundtable discussion on the art of writing fiction Drawing back the curtain on the mysterious process of writing novels The Secret Miracle brings together the foremost practitioners of the craft to discuss how they write Paul Auster Roddy Doyle Allegra Goodman Aleksandar Hemon Mario Vargas Llosa Susan Minot Rick Moody Haruki Murakami George Pelecanos Gary Shteyngart Daniel Alarcón and others take us step by step through the alchemy of writing fiction answering everything from nuts and bolts queries Do you outline to perennial questions posed by writers and readers alike What makes a character compelling From Stephen King's deadpan distinction between novels and short stories Novels are longer and have more stuff in them to Colm Tóibín's anti romanticized take on his characters They are just words to Jos Manuel Prieto's mature perspective on the anxieties of influence Influences are felt or weigh you down more when young every page contains insights found nowhere else With honesty humor and elegance The Secret Miracle gives both aspiring writers and lovers of literature a master class in the art of writing

Fiction's Present R. M. Berry,Jeffrey R. Di Leo,2015-05-11 Combining creative and critical responses from some of today

s most progressive and innovative novelists critics and theorists Fiction s Present adventurously engages the aesthetic political philosophical and cultural dimensions of contemporary fiction By juxtaposing scholarly articles with essays by practicing novelists the book takes up not only the current state of literature and its criticism but also connections between contemporary philosophy and contemporary fiction In doing so the contributors aim to provoke further discussion of the present inflection of fiction a present that can be seen as Janus faced looking both forward to the novel s radically changed political economic and technological circumstances and back to its history of achievements and problems Editors R M Berry and Jeffrey R Di Leo contend that examinations of fiction s present are most informative not when they defend philosophical distinctions or develop literary classifications but when they grapple with elusive topics such as the meaning of a narrative present or the relation of fiction s medium to its representations of context As the essays reveal this process when pursued diligently breaks down traditional divisions of academic and intellectual labor compelling the fiction writer to become more philosophical and the theorist to become more imaginative The value of this book is not in the exhaustiveness of its treatment but rather in the seriousness of the criticism it incites The present materializes in quarrel and it is toward such a beginning that the writings in Fiction s Present work

**Joel-Francois Durand in the Mirror Land** Jonathan W. Bernard, 2011-12-01 The second part of this volume comprises four essays on Durand s music contributed by three of his former composition students Christian Asplund Eric Flesher and Ryan M Hare and by his colleague music theorist Jonathan W Bernard who has also edited and introduced this absorbing portrait of the composer

Silenced Facts Bianca Theisen, 2021-10-01 In response to the silence that continues to shroud Austria s historical past Austrian literature after 1950 wants to retrace an untold history that left its marks in mental schemata and cultural clich s The question how literature can refer to the facts silenced by a political unconscious the question of literary reference and reality description lies at the core of Austrian literature since the 1950 s This book traces the development of contemporary Austrian fiction from the 1950s to the 1990s showing how the Vienna Group s literary reductionism led to gesture of mere pointing in happening and performance While strongly indebted to the experimental techniques of the Vienna Group later Austrian authors such as Thomas Bernhard Peter Handke Peter Rosei and Gerhard Roth employ literary forms and extra literary media prone to the indexical in an attempt to cut through the net of linguistic and cultural clich s alluding to the microfascisms latent in common percepts and indexing a reality that eludes plain description

**McKay's Bees** Thomas McMahon, 2010-08-15 An impressively original novel comic in its vision yet serious constantly surprising in its twists of plot and its reflections upon life Wall Street Journal Moving from Massachusetts to Kansas in 1855 with his new wife and a group of German carpenters Gordon McKay is dead set on making his fortune raising bees undaunted by Missouri border ruffians newly minted Darwinism or the unsettled politics of a country on the brink of civil war Humorous and generous yet sometimes disconcertingly fatalistic McMahon s storytelling is based on an irresistible curiosity about how the world works Alida Becker New York Times Book Review Truly a gem an elegantly

simple construct full of light and surprise Jean Strouse Newsweek A literary miracle a tale defying gravity and all manner of other rules that ground the narratives of most storytellers Douglas Bauer Boston Globe McMahon in such a short novel should not have been able to bring coherence out of Darwin and Lincoln bees and machines East and West honey and blood That he manages that wit irony gentleness passion and knowledge conspire so successfully is a wonder of craft John Leonard New York Times McMahon s novels combine sophisticated scientific lore with a well developed sense of human ness They are learned funny spiritual and sexy It would not be disgraceful to compare them with the work of Gabriel Garcia Marquez Indeed McMahon is a kind of Yankee magic realist mixing the fantastic with the ordinary so seamlessly Toronto Globe Mail

*Principles of American Nuclear Chemistry* Thomas McMahon, 2010-08-15 What was life like for the scientists working at Los Alamos Thomas McMahon imagines this life through the wide eyes of young Tim MacLaurin the thirteen year old son of an MIT physicist who inspired by a young woman named Maryann worked on the project Filled with the sensuous excitement of scientific discovery and the outrageous behavior of people pushed beyond their limits *Principles of American Nuclear Chemistry* is a beautifully written coming of age story that explores the mysterious connections between love and work inspiration and history **Wittgenstein Fiction** Walker Zupp, 2025-02-25 Synthesizes literature and history with regards to Wittgenstein s life and philosophy **The Musical Novel** Emily Petermann, 2014 Analyzes two groups of musical novels novels that take music as a model for their construction including jazz novels by Toni Morrison and Michael Ondaatje and novels based on Bach s Goldberg Variations *The American Book Review*, 1992 **Extinction** Thomas Bernhard, 2013-02-21 Thomas Bernhard 1931 1989 has been hailed by Gabriel Josipovici as Austria s finest postwar writer and by George Steiner as one of the masters of contemporary European fiction Faber Finds is proud to reissue a selection of four of Bernhard s finest novels *Extinction* Bernhard s last published novel is the story of Franz Josef Murau intellectual black sheep of a powerful Austrian land owning family who lives in Rome in self imposed exile surrounded by a coterie of artistic and intellectual friends On returning from his sister s wedding on the family estate of Wolfsegg having resolved never to go home again Murau receives a telegram informing him of the death of his parents and brother in a car crash Not only must he now go back he must do so as the master of Wolfsegg and he must decide its fate

This is likewise one of the factors by obtaining the soft documents of this **The Loser By Thomas Bernhard** by online.
