Walter Brueggemann has been so effective for so long precisely because he has consistently called upon the church to see beyond the taken for granted realities it confronts by imagining God's alternative reality to recognize that the bars of its entrapment were social constructs and could just as easily be deconstructed so we could be once again enchanted by God's good news To challenge the taken for granted reality of the church and to imagine an alternative reality Brueggemann consistently takes us back to the biblical text He moves between a description of the reality that appears in front of the church and the alternative that God is preparing for God's people that begins now and moves into God's eschatological future In so doing Brueggemann seeks to unleash the power of God's words to create a new world here and now Poetry and Memory in Karaite Prayer Joachim Yeshaya, 2013-11-07 In Poetry and Memory in Karaite Prayer Joachim Yeshaya offers an edition of liturgical poems which the Karaite poet Moses Dar composed in twelfth century Egypt as introductory poems for the Torah readings on each Sabbath The Hebrew text and Judaeo Arabic heading of each poem are provided in the original order attested in the manuscript NLR Evr I 802 dated to the fifteenth century Every poem comes with a commentary section consisting of English commentary essays and bilingual Hebrew English line by line annotations In the conclusion following this edition Joachim Yeshaya demonstrates how Dar's liturgical poems are among the earliest examples of the introduction of poetry Andalusian Rabbanite poetical norms and the memory of being exiled from Jerusalem into Karaite prayer *Psalms*

119 David Noel Freedman, 1999-01-01 The alphabetic acrostic is one of the most easily identifiable poetic forms in the Hebrew Bible Yet its very obviousness has tended to deflect deeper exploration of its structure and purpose There is no priori reason that alphabetic acrostics should be less creative expressive or complex than other psalms Thus the essays collected here investigate the acrostic format as a legitimate option for Israelite poets rather than as the refuge of uninspired epigones Freedman focuses on the technical aspects of the psalms metrics syllable counts colon length and symmetry within the psalm The results show that the poets creativity functioned at all levels from the individual line to the complete psalm Back Cover

Who Really Wrote the Bible
William M. Schniedewind, 2025-11-18 A groundbreaking new account of the writing of the Hebrew Bible Who wrote the Bible Its books have no bylines Tradition long identified Moses as the author of the Pentateuch with Ezra as editor Ancient readers also suggested that David wrote the psalms and Solomon wrote Proverbs and Qohelet Although the Hebrew Bible rarely speaks of its authors people have been fascinated by the question of its authorship since ancient times In *Who Really Wrote the Bible* William Schniedewind offers a bold new answer the Bible was not written by a single author or by a series of single authors but by communities of scribes The Bible does not name its authors because authorship itself was an idea enshrined in a later era by the ancient Greeks In the pre Hellenistic world of ancient Near Eastern literature books were produced preserved and passed on by scribal communities Schniedewind draws on ancient inscriptions archaeology and anthropology as well as a close reading of the biblical text itself to trace the communal origin of biblical literature Scribes were educated through apprenticeship rather than in schools The prophet Isaiah for example has his disciples Elisha has his apprentice This mode of learning emphasized the need to pass along the traditions of a community of practice rather than to individuate and invent Schniedewind shows that it is anachronistic to impose our ideas about individual authorship and authors on the writing of the Bible Ancient Israelites didn't live in books he writes but along dusty highways and byways *Who Really Wrote the Bible* describes how scribes and their apprentices actually worked in ancient Jerusalem and Judah

The Divine Chase Ben Bounds, 2017-12-08 God is passionately pursuing you There is a notion in our world that we must find God that it is on our shoulders to search for a hidden God If God had not or does not reveal himself we would not even know that there is a God He is self revealing and on a mission to provoke a response in us He pursues us in three fundamental ways First the act of creation itself is an incredible act of pursuit by God He is the Creator Artist with his masterpiece in mind and we are part of the tapestry of creation Second the act of inspiring a book the Bible to codify his message demonstrates God as divine author pursuing us through his written Word Finally the act of the incarnation is the crowning act of pursuit Christ the incarnate Son of God is on a mission to rescue the love of his heart It is the perfect fixing the broken the highest becoming the lowest the resurrected lifting the dying from the very grave Gods pursuit of us takes place on his dance floor his universe his masterpiece His pursuit unfolds throughout history on our battlefields in our crucibles and through our worst trials He brings the scars of his crucible the cross into our crucibles and rescues us In
