Wrede, 2012-10-01 From 1 New York Times bestselling author Patricia C Wrede the fantastic conclusion to her tale of magic on the western frontier Eff is an unlucky thirteenth child but also the seventh daughter in her family Her twin brother Lan is a powerful double seventh son Her life at the edge of the Great Barrier Spell is different from anyone else's that she knows When the government forms an expedition to map the Far West Eff has the opportunity to travel farther than anyone in the world With Lan William Professor Torgeson Wash and Professor Ochiba Eff finds that nothing on the wild frontier is as they expected There are strange findings in their research a long prairie winter spent in too close quarters and more new species magical and otherwise dangerous and benign than they ever expected to find And then spring comes and the explorers realize how tenuous life near the Great Barrier Spell may be if they don't find a way to stop a magical flood in a hurry Eff's unique way of viewing magic has saved the settlers time and again but this time all of Columbia is at stake if she should fail

Wrede, 2010-06-01 1 NYT bestselling author Pat Wrede returns to Scholastic with an amazing new trilogy about the use of magic in the wild wild west Eff was born a thirteenth child Her twin brother Lan is the seventh son of a seventh son This means he's supposed to possess amazing talent and she's supposed to bring only bad things to her family and her town Undeterred her family moves to the frontier where her father will be a professor of magic at a school perilously close to the magical divide that separates settlers from the beasts of the wild With wit and wonder Patricia Wrede creates an alternate history of westward expansion that will delight fans of both J K Rowling and Laura Ingalls Wilder
