Firm The Troubled Life Of The House Of Windsor:

The Firm Penny Junor, 2005 Presents a candid look at the members of the British royal family focusing on the years following the death of Princess Diana to the present day **The Palace** Gareth Russell, 2023-12-05 A riotously readable tender and affectionate Daily Mail London exploration of five hundred years of British history from King Henry VIII to Queen Elizabeth II as seen through the doorways of the exquisite Hampton Court Palace Architecturally breathtaking and rich in splendid art and décor Hampton Court Palace has been the stage of some of the most important events in British history such as the commissioning of King James's version of the Bible the staging of many of Shakespeare's plays and Queen Elizabeth II's coronation ball The Palace takes us on an entertaining journey into the past Kirkus Reviews as it reveals the ups and downs of royal history and illustrates what was at play politically socially and economically at the time An engaging and charming history book that is perfect for fans of Alison Weir Philippa Gregory and Andrew Lownie The Palace makes you feel as if you were in the room as history was made *The Royal Family vs 'The Crown'* Catherine Curzon, 2025-03-30 Uncover the truth behind Netflix's The Crown with this guide separating royal fact from dramatic fiction For six seasons royal watchers across the globe have been hooked on Netflix's smash hit factual drama The Crown Over sixty episodes multiple casts and headline grabbing storylines The Crown has promised to throw open the closed doors of Britain's palaces to reveal the deepest secrets of the House of Windsor From the last days of George VI to the accession of Queen Elizabeth II and into the twenty first century it has told the story of the monarchy in an ever changing and turbulent world The Royal Family vs The Crown turns the spotlight on the glittering Netflix series and lays bare what's fact and what is very definitely fiction Season by season episode by episode The Royal Family vs The Crown digs deep into history to examine the plots the trivia and the characters who have stepped out of the throne room and into the living room telling the real stories behind the drama that has thrilled and scandalised audiences worldwide From the abdication of a king to Princess Diana's infamous Panorama interview the marriage of Charles and Camilla and everything in between this is your indispensable guide to the true stories behind the streaming phenomenon *Kings and Their Sons in Early Modern Europe* Mark Konnert, 2018-12-01 Some of history's greatest dramas have unfolded in the stories of kings and their sons in early modern Europe and their conflicts presaged in some ways today's tensions in family run businesses In several notorious cases the kings despised their sons to the point of committing murder thus killing their own heirs Prof Konnert shows that these tragic dramas actually represent an extreme of the normal state of affairs rather than unusual occurrences They are different in degree not kind This book is the first to look at these episodes in a systematic and comparative fashion The stories are moving in themselves but viewed in their historical context they illuminate aspects of a past society which has faded from view in the 21st century Two of the most famous episodes those of Frederick the Great of Prussia and his father and of Peter the Great of Russia and his son are examined here as well as three less well known cases These episodes are put into historical context and the family dynamics of these

royal dynasties are discussed showing not only how they differed from those of today but also from those of their more common contemporaries These tensions are also compared to those that have emerged in family run businesses where conflicts between fathers and sons are also very common Furthermore when the interests of the dynastic enterprise whether political or corporate take precedence over family life and personal happiness marriage practices can produce particularly toxic relations The cases examined here are unusual only in the degree of hostility rather than in its existence The King Christopher Andersen,2022-11-08 From 1 New York Times bestselling author Christopher Andersen comes a vivid and unsparing yet sympathetic portrait of one of the most complex and enigmatic figures of our time Charles who has taken his place on the throne after being the oldest and longest serving heir in British history Since the day Charles Philip Arthur George was born he has been groomed to be King After more than seventy years of waiting he finally ascends the throne The King examines the private life of this historically important and controversial figure set against the grand thousand year sweep of the British monarchy This richly detailed biography covers it all from his military training to his marriage to Lady Diana through their separation and her tragic death to his marriage to Camilla Parker Bowles In the process it provides a balanced but fully honest look into the life of the new monarch This book will tell you what the King a man who has remained something of an enigma shrouded in speculation and intrigue is really like The King is the first biography of Charles since he has become monarch and serves as an authoritative chronicle of his life *The Queen* Andrew Morton,2022-05-24 The captivating biography of Her Late Majesty Queen Elizabeth II written by the world s best known royal biographer Andrew Morton *That's What They Want You to Think* Paul Simpson,2012-02-15 Challenging perceptions that most conspiracy theories are based in paranoia and cynicism a volume by an editor of Star Trek Magazine profiles famous theories pertaining to such subjects as Pearl Harbor JFK s assassination and Roswell Original **Approaches to the Byzantine Family** Leslie Brubaker,Shaun Tougher,2016-04-08 The study of the family is one of the major lacunas in Byzantine Studies Angeliki Laiou remarked in 1989 that the study of the Byzantine family is still in its infancy and this assertion remains true today The present volume addresses this lacuna It comprises 19 chapters written by international experts in the field which take a variety of approaches to the study of the Byzantine family and embrace a chronological span from the later Roman to the late Byzantine empire The context is established by chapters focusing on the Roman roots of the Byzantine family the Christianisation of the family and the nature of the family in contemporaneous cultures the late antique west and the Islamic east Key methodological approaches to the Byzantine family are highlighted and discussed in particular prosopographical and life course approaches The contribution of hagiography to the understanding of the Byzantine family is analysed by several authors other chapters on the family and children in art and on the archaeology of the Middle Byzantine house explore the material evidence that can shed light on the Byzantine family Overall the diversity of families that existed in Byzantium blood fictive metaphorical is emphasised and chapters consider the specific cases of ascetic monastic aristocratic

and peasant families as well as the imperial family which is illuminated by the comparative case of a Caliphal family The volume is topped and tailed by a Preface and an Afterword by the editors which address the state of the field and consider the way ahead Thus the volume is vital in putting the subject of the Byzantine Family in sharp focus and setting the research agenda for the future

HRH Elizabeth Holmes, 2020-11-17 THE INSTANT NEW YORK TIMES BESTSELLER Veteran style journalist Elizabeth Holmes expands her popular Instagram series *So Many Thoughts* into a nuanced look at the fashion and branding of the four most influential members of the British Royal Family: Queen Elizabeth II, Diana, Princess of Wales, Catherine, The Duchess of Cambridge, and Meghan, The Duchess of Sussex. Kate Middleton and Meghan Markle are global style icons; their every fashion choice chronicled and celebrated. With all eyes on them, the duchesses select clothes that send a message about their values, interests, and priorities. Their thoughtful sartorial strategies follow in the footsteps of Queen Elizabeth II and Diana, Princess of Wales, two towering figures known for using their personal style to great acclaim. With one section devoted to each woman, *HRH* is a celebration of their stories and their style, pairing hundreds of gorgeous photographs with extensive research. A picture emerges of the British monarchy's evolution and the power of royal fashion, showing there's always more than what meets the eye.
