Brautigam,2022-09-09 Following Jesus Christ presents unique challenges to disciples today In our current climate of relativism materialism and consumerism Christians are increasingly perplexed as to who they are and what following after Christ means today Drawing on the Protestant tradition in particular Dietrich Bonhoeffer Martin Luther and Adolf Schlatter and findings from psychology this book offers a fresh integrative interpretation of Jesus s radical call into discipleship This call is interpreted through a christological lens as Jesus Christ in his role as Prophet calls us to self denial in his role as Priest invites us to cross bearing and as King demands us to follow him Jesus s call to discipleship challenges disciples to embrace various tensions by faith and to grow and even flourish in and through them By denying themselves they find their true self by taking up their cross they find real life and by following Christ they find the great friend and befriend the world as the community of disciples This book is for Christians who seek to mature in intentional self reflection and discover practical ways of living out Christ s radical call into discipleship today *Path from Puebla* Edward L. Cleary,1989 What is Death?

Tyler Volk,2007-08-17 what is death A Scientist Looks at the Cycle of Life Answering the question What is death by focusing on the individual is blinkered It restricts attention to a narrow zone around the individual body of a creature Instead how expansive is the answer we receive when we look at the context of death within the biosphere Death now is tied to all of life via the atmosphere and ocean Death supports the awesome biological enterprise of making abundant the green and squiggly life Talk about death has headed us straight into a contemplation of life not only individual life but big life life on a global scale Death and life are neatly dovetailed by the supreme cabinetmaker of evolution Again the crucial feature is not the death of any one creature per se but rather what is done with death To reach into the meaning of death we must reach out into the wider context of which death is a part **A Moral Life In Christ Textbook** Sophia Institute for Teachers, **John: An Earth Bible Commentary** Margaret Daly-Denton,2017-07-13 This volume in the Earth Bible Commentary Series suggests how John s Gospel might motivate and resource a Christian response to the ecological crisis Margaret Daly Denton shows how aptly Mary Magdalene recognized the risen Jesus as the gardener Jn 20 15 completing his day s work in the garden of the Earth The Johannine story of Jesus offers his present day followers a paradigm with considerable potential to inspire Earth care sustainable living and commitment to eco justice The Fourth Evangelist believes that Jesus fulfils the Jewish hope for a restoration envisaged as a return of humankind to Eden Keeping this theme continually in mind Daly Denton reads the gospel with sensitivity to the role of the more than human world in the narrative and with particular attention to the scriptural underlay that repeatedly brings this world into the foreground The commentary begins with an exploration of the memories and associations that the garden setting would have evoked for the intended audience It then follows the gospel s spiral path that eventually leads to the garden of Mary s encounter Each chapter concludes by asking how believers might do God s work Jn 6 28 in today s ecologically damaged world and by offering practical suggestions indicative of the reflection that readers of the commentary will be able to do in their own setting *The Friend* ,1886 **The Masonic Trowel** ,1867
