*When Dinosaurs Fall* Orlando Rodriguez, 2020-02-17 I was born into the religion of Jehovah s Witnesses and was raised by my forebears with the single minded goal to be baptized in the name of the Lord Jehovah Lucky me There was a problem with this monomaniacal plan I was an atheist as far back as I could remember Before I continue I d like to make the following requisite statement which I think is very important to articulate I promised myself that I did not want to make another Jehovah s Witness bashing book There are plenty of those available I try to convey the intentional internal conflict that is nourished in the congregation and the ideologies used as brainwashing you to accept the truth It is important to note that the Jehovah s Witnesses are a cult just like every other religion but there is some real danger to this unusual sect of Christianity You will be called to sacrifice your child s life to God if they require a blood transfusion to save their life You will be forced into not pursuing higher education the sole purpose of your existence to preach the Good News Women are to be submissive to male counterparts at all times I can truly say that this is not the religion you should be looking at if you want answers to life s yearning questions

[The Incarnate Christ and His Critics](#) Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non

Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ REVIEWING 2013 New World Translation of Jehovah's Witnesses Edward D. Andrews,2018-01-28 REVIEWING 2013 New World Translation of Jehovah s Witnesses is going to challenge your objectivity Being objective means that personal feelings or opinions do not influence you in considering and representing facts Being subjective means that your understanding is based on or influenced by personal feelings tastes or ideas If the reader finds these insights offense it might be a little mind control at work from years of being told the same misinformation repeatedly so ponder things objectively We can also have preconceived ideas that have been a part of our thinking for so long we do not question them Preconceived is an idea or opinion that is formed before having the evidence for its truth If we are to be effective we must season our words so that they are received well Then there is the term preconception which means a preconceived idea or prejudice Seasoned words honesty and accuracy are distinctive features of effective apologetic evangelism **Beyond the Big Six Religions** James D. Holt,2019-10-25 Beyond the Big Six Religions Expanding the Boundaries in the Teaching of Religion and Worldviews is a timely addition to the literature surrounding Religious Education teaching in schools The book explores the desirability and possibility of expanding the breadth of religious and non religious worldviews within the classroom Written by an expert in Religious Education and minority religions this book articulates the importance of the inclusion of minority voices within the classroom and in wider society Jehovah's Witnesses Edmond C. Gruss,2001 The Watchtower's Coming Crisis Daniel Rodriguez,2011 A devastating crisis has the Jehovah s Witness religion facing extinction Chances are that you have never met a real Jehovah s Witness While those at your door may claim to be one of Jehovah s Witnesses their own publications plainly teach otherwise So who are the real Jehovah s Witnesses The Watchtower Society teaches that they are members of the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the centuries others have been added but the Watchtower declared that the number was completed in 1935 Anyone who claims to be one of Jehovah s Witnesses has to be one of the 144 000 and must be very old now However the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership Because these people are dying the Watchtower is facing a credibility crisis So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive And now just

last year Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000 But this only adds further opportunity for you to show the JW who comes to your door that he cannot trust the Watchtower with his precious eternal life The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven In fact they are the only ones allowed to take communion He does not believe he can understand Bible truths without the Watchtower He is dependent on a publication that one day soon will be left without writers to reveal God s truths Who are those writers Those who remain of the original 144 000 and they are dying Oddly enough their founder Charles Taze Russell never taught the doctrine of the 144 000 In this book you will learn the true history of this false Watchtower doctrine You will be surprised to discover that this doctrine is not just a Bible issue It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive With the information and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers Time is the enemy of this teaching and they know it      **World Religions and Cults Volume 1** Bodie Hodge,Roger Patterson,2015-08-13

Religions in today s culture seem to be multiplying Have you ever wondered why certain religions believe and practice what they do Or how they view the Bible This volume delves into these and other engaging questions such as How can a Christian witness to people in these religions Do these other religions believe in creation and a Creator How do we deal with these religions from a biblical authority perspective Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way And there is a common factor every time man s fallible opinions In one way or another the Bible gets demoted reinterpreted or completely ignored Man s ideas are used to throw the Bible s clear teaching out the window while false teachings are promoted This book is a must for laymen church leaders teachers and students to understand the trends in our culture and around the world where certain religions dominate helping you discern truth and guard your faith When you understand a religion s origins and teachings you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions      **The Watchtower** ,2004

**Jehovah's Witnesses in Europe** Gerhard Besier,2016-08-17 The religious association of Jehovah s Witnesses has existed for about 150 years in Europe How Jehovah s Witnesses found their way in these countries has depended upon the way this missionary association was treated by the majority of the non Witness population the government and established churches In this respect the history of Jehovah s Witnesses in Europe is also a history of the social constitution of these countries and their willingness to accept and integrate religious minorities Jehovah s Witnesses faced suppression and persecution not only in dictatorships but also in some democratic states In other countries however they developed in relative freedom How the different situations in the various national societies affected the religious association and what challenges Jehovah s Witnesses had to overcome and still do in part even until our day is the theme of this history volume
