Perzanowski, Jason Schultz, 2018-03-16 An argument for retaining the notion of personal property in the products we buy in the digital marketplace If you buy a book at the bookstore you own it You can take it home scribble in the margins put it on the shelf lend it to a friend sell it at a garage sale But is the same thing true for the ebooks or other digital goods you buy Retailers and copyright holders argue that you don't own those purchases you merely license them That means your ebook vendor can delete the book from your device without warning or explanation as Amazon deleted Orwell's 1984 from the Kindles of surprised readers several years ago These readers thought they owned their copies of 1984 Until it turned out they didn't In *The End of Ownership* Aaron Perzanowski and Jason Schultz explore how notions of ownership have shifted in the digital marketplace and make an argument for the benefits of personal property Of course ebooks cloud storage streaming and other digital goods offer users convenience and flexibility But Perzanowski and Schultz warn consumers should be aware of the tradeoffs involving user constraints permanence and privacy The rights of private property are clear but few people manage to read their end user agreements Perzanowski and Schultz argue that introducing aspects of private property and ownership into the digital marketplace would offer both legal and economic benefits But most important it would affirm our sense of self-direction and autonomy If we own our purchases we are free to make whatever lawful use of them we please

Technology need not constrain our freedom it can also empower us Dafidi and Abdul Joe Ordia, Joe Ordia Joe Ordia, 2009-11 Dafidi and Abdul met in high school and they developed a strong friendship almost immediately Though one is Jewish and the other Arab they did not let their ethnic differences get in the way They attended Boston College where they both played basketball with Dafidi leading BC to the national playoffs Then Abdul was stricken with renal failure and discovered that he needed a kidney transplant Dafidi was tested and he was a perfect match with Abdul He offered to donate a kidney after the championship game But just prior to the big game Abdul took a turn for the worse and Dafidi had to make a decision forsake his friend or forgo the championship and save his friend The decision was easy for Dafidi He calmly declared There are things in life that are more important than basketball Dafidi was dressed for the championship game but

no one really expected him to play having donated a kidney only one week earlier A technical foul was called against Louisville with the score tied and only two seconds to go and Dafidi was called to take the shot Would Dafidi save the day and the game According to religious scholar Thomas Henshaw This book is really about the expression of God s love through the friendship between Dafidi and Abdul
