Modern Villainess: It's Not Easy Building a Corporate Empire Before the Crash (Light Novel) Vol. 2 Tofuro Futsukaichi, KEI, 2022-09-01. After narrowly pulling the Keika Group through what appeared to be an imminent collapse, Runa has ascended to new heights as The Little Queen. Leveraging currency cunning and financial power, she continues to establish the Fuchigami administration. However, danger and distrust lurk around every corner, leaving Runa to face still looming tragedy with her futuristic knowledge once again. And as this version of Japan looks towards the 21st century, Runa finds less and less time to save Japan from utter economic collapse. It seems that no matter what, the fate of Japan is set to occur once again.

Understanding Manga and Anime Robin E. Brenner, 2007-06-30. Teens love it. Parents hate it. Librarians are confused by it, and patrons are demanding it. Libraries have begun purchasing both manga and anime, particularly for their teen collections. But the sheer number of titles available can be overwhelming, not to mention the diversity and quirky cultural conventions. In order to build a collection, it is important to understand the media and its cultural nuances. Many librarians have been left adrift, struggling to understand this unique medium while trying to meet patron demands as well as protests. This book gives the novice background information necessary to feel confident in selecting, working with, and advocating for manga and anime collections, and it offers more experienced librarians some fresh insights and ideas for programming and collections.

In 2003, the manga Japanese comics market was the fastest growing area of pop culture, with 75-100% growth to an estimated market size of 100 million retail. The growth has continued, with a 40-50% sales increase in bookstores in recent years. Teens especially love this highly visual, emotionally charged, and action-packed media imported from Japan, and its sister media, anime (Japanese animation). Libraries have begun purchasing both. Chock full of checklists and sidebars highlighting key points, this book includes a brief history of anime and manga in Japan and in the West, a guide

to visual styles and cues a discussion of common themes and genres unique to manga and anime their intended audiences cultural differences in format and content multicultural trends that manga and anime readers embrace and represent and programming and event ideas It also includes genre breakdowns and annotated lists of recommended titles with a focus on the best titles in print and readily available particularly those appropriate to preteen and teen readers Classic and benchmark titles are also mentioned as appropriate A glossary and a list of frequently asked questions complete the volume
