Over the Edge , Color Yourself Calm Postcards Lisa Magano, Charlotte Legris, 2016-03-01 Peaceful passages keep you in touch Many people love to save postcards they ve received and some collect inspirational quotes to lighten their mood Satisfy all your collector friends with uplifting postcards featuring your own personal touch of color These 50 postcards have lovely quotes of serenity tranquility and optimism Add your own flair by coloring in the surrounding designs with a palette of your choosing before mailing them off to friends and family A great way to stay in touch **Postcards from Patmos** Osvaldo D. Vena, 2024-11-27 In this work a fictionalized John is addressing a contemporary audience directly as if they were the original recipients of the book Unlike the author s two previous books which were historical fictions this one does not include fictional elements It does not dwell on possible scenarios advanced by information found in the text like the trip to Spain in the case of Paul Rather it aims at providing the audience with some additional historical information so they can have a better understanding of the place and time in which John wrote The reader will notice for example that instead of using inclusive language which would be anachronistic John uses male language to address God The author also explores fictionally John s feelings to allow the readers to imagine how he might have felt in the troubled times he lived in *Postcards From My Mind Vol. 2* , **Postcards for People in Love** Claire Cloninger, 1995-07-21 Each postcard in this book is postmarked from heaven personally signed by the Creator of all True Love And every thought provoking message paraphrased from Scripture will inspire you and your loved one to cherish forgive and nurture each other As you read you will realize how precious your relationship is to God and how deeply He wants you and the one you love to treasure each other His way *Postcards From My Mind* Christopher Setterlund, 2009-12-17 Postcards From My Mind is the first collection of my own personal poetry and song lyrics written over a ten year span from 1996 2006 They explore the vast range of emotions felt through the late teen years and into the twenty something age Anybody can relate to what I have written *Israeli and Palestinian Postcards* Tim Jon Semmerling, 2021 No detailed description available for Israeli and Palestinian Postcards *Postcards to the Soul* Dordi Andersen, 2009-12 **Postcards from Absurdistan** Derek Sayer, 2022-11-01 A sweeping history of a twentieth century Prague torn between fascism communism and democracy with lessons for a world again threatened by dictatorship Postcards from Absurdistan is a cultural history of Prague from 1938 when the Nazis destroyed Czechoslovakia s artistically vibrant liberal democracy to 1989 when the country s socialist regime collapsed after more than four decades of communist party rule Derek Sayer shows that Prague s twentieth century far from being a story of inexorable progress toward some end of history whether fascist communist or democratic was a tragicomedy of recurring nightmares played out in a land Czech dissidents dubbed Absurdistan Situated in the eye of the storms that shaped the modern world Prague holds up an unsettling mirror to the absurdities and dangers of our own times In a brilliant narrative Sayer weaves a vivid montage of the lives of individual Praguers poets and politicians architects and athletes journalists and filmmakers artists musicians and comedians caught up in the crosscurrents of the turbulent half century following the Nazi invasion This is the territory of the ideologist

the collaborator the informer the apparatchik the dissident the outsider the torturer and the refugee not to mention the innocent bystander who is always looking the other way and V clav Havel s greengrocer whose knowing complicity allows the show to go on Over and over Prague exposes modernity s dreamworlds of progress as confections of kitsch In a time when democracy is once again under global assault Postcards from Absurdistan is an unforgettable portrait of a city that illuminates the predicaments of the modern world *Postcard America* Jeffrey L. Meikle, 2016-01-20 From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images **A Less Than Perfect Peace** Jacqueline Levering Sullivan, 2014-03-28 Fourteen year old Annie Howard is determined to help her father embrace life once again as the Cold War grips the nation In the midst of her efforts she meets and befriends two refugees from Holland and comes to see the world differently and understand a bit about the nature of sacrifice **Postcards** Annie Proulx, 2007-12-01 Pulitzer Prize winning author Annie Proulx s first novel Postcards tells the mesmerizing tale of Loyal Blood who misspends a lifetime running from a crime so terrible that it renders him forever incapable of touching a woman From the bestselling author of Brokeback Mountain comes Postcards the tale of the Blood family New England farmers who must confront the twentieth century and their own extinction As the family slowly disintegrates its members struggle valiantly against the powerful forces of loneliness and necessity seeking a sense of home and place forever lost Loyal Blood eldest son is forced to abandon the farm when he takes his lover s life thus beginning a quintessentially American odyssey of solitude and adventure Yearning for love yet forced by circumstance to be always alone Loyal comes to symbolize the alienation and frustration behind the American dream *The Key to Peace* Theodor Beckstrom, 1927 **Postcards from Summer** Cynthia Platt, 2023-07-25 Seventeen year old Lexi travels to her late mother s majestic summertime home to learn of the romance and the tragedy that changed her life forever **National Peace**
