WILLIAMS OD, 2014-02-27 This book demonstrates that one is capable of achieving any goals that one sets for him herself I hope it will be an inspiration to others as they journey along the pathways of life This book summarizes the achievements the difficulties and sometimes struggles that were encountered along the way It speaks of anxiety fear anticipation but never apathy There were times of restlessness working and studying until the wee hours of the morning just to meet the class assignments Those were used as motivation to succeed The vagaries of the weather in the UK and its unpredictability played a part in my planning every move and decision That too helped me to realize the nature of things and how essential it is to prepare if possible for the future It is indeed a wonderful feeling when one is able to look back over many years on a long journey and a productive life and feel satisfied that something of note has been left behind I trust this book will give food for thought and be of help to others **The National Union Catalog, Pre-1956 Imprints** Library of Congress, American Library Association.
