150 thread This will enable the worker to select just the pattern needed to carry out the idea she has in mind Those who have made a study of Coats of Arms and Heraldry will be delighted with the artistic perception and accuracy of such figures as No 50 56 and 78 Materials Any good cotton thread may be used for Filet Crochet and silk thread also the purse twist being the best for this use The silky mercerized cottons and the beautiful linen threads are also very good D M C thread was used in all of the samples and finished pieces in this book The only other things necessary are a good pattern and a crochet hook Use as fine a hook as can be used without splitting the thread The material if any is to be used together with the crocheted work should also be considered and a thread chosen which will harmonize with the same About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
