Be Holy Find Identity Find Belonging Find Purpose:

On Holy Ground Keith R. Anderson, 2025-06-24 There is a universal human need to understand our identity and find belonging and sacred purpose in the most daily moments of our lives When we know our identity as the beloved of God our lives take on practices that are urgently needed in our divisive culture today starting with compassion hospitality and discourse and joining a movement to boldly proclaim Abba's love Sacred purpose involves everything we do on holy ground which is where God walks with us before us and alongside us in time and place As we enter the fray we find ways to live as people of justice grace and conviction seeking the kingdom of God as our priority as we address those issues that are so charged and divisive today race inclusion exclusion individualism and trauma Within the image of an ecosystem we understand that Scripture the living word points us to Jesus the incarnate word who calls us to sacred purpose a living relationship of following Jesus at our own altars in the world for all of our lives Growing Old Gracefully Robert M. Solomon, 2022-03-22 Growing old doesn't have to be just about frailties loneliness and loss of purpose Veteran pastor Robert Solomon offers a fresh perspective of aging and looks at how you can continue to grow with God in your autumn years Discover how you can keep your eyes firmly on Jesus as you nurture habits and disciplines that will enable you to build redemptive relationships and cope with the physical mental and emotional challenges of aging Useful insights into aging are presented in short chapters in an easy to read large print devotional format Fellowship of Prayer Sarah Griffith Lund, 2016-01-05 The seasonal cycles of winter spring summer and fall are echoed in the birth life death and resurrection of Jesus The season of Lent culminating in Holy week invites those who follow Jesus into a time of deeper reflection on our own seasons of life in the present age Where is God to be known encountered and embodied in these turbulent times How is God revealed in our dreams and visions Sarah Griffith Lund author of the acclaimed *Blessed Are the Crazy* Breaking the Silence about Mental Illness Family and Church takes you through the 40 days of Lent with these stories of the possibilities of our lives leading to the ultimate redemption and resurrection *Finding Authentic Hope and Wholeness* Dr. Kathy Koch, 2005-01-01 Your mother always said that you would never amount to much Or perhaps a teacher asked you to help her because you were just so good at fill in the blank Those early messages about our intelligence and worth affect our lives forever or do they How do we find authentic hope and wholeness based on truth reality and God's view Dr Kathy Koch draws on decades of seminars and workshops geared to the educational community She knows the right questions to ask She also knows that intelligence and worth take different forms in each of us Readers of all ages and stages will benefit from the life changing wisdom contained in *Finding Authentic Hope and Wholeness* In Search of Identity Gadi Hitman, 2025-08-01 Describes and analyzes the main divisions within Israel's heterogeneous society In November 2022 Israeli citizens went to the polls to elect their representatives to the legislature the Knesset for the fifth time in less than four years This was the culmination of a political crisis that began in November 2018 when Avigdor Lieberman resigned from his position as minister

K. Strawser,2023-04-26 The church often lacks maturity and missional impact because discipleship is at its periphery To get discipleship to the center leaders need a locally rooted culturally contextual discipleship pathway This gutsy practice based guidebook is for leaders doing the hard work turning spectators into missional mature followers of Jesus I Will Jimmy Evans,Karen Evans,2024-05-21 Your marriage has a 100% chance of success if you do it God s way In a world where promises are often forgotten and relationships easily discarded your marriage can stand as a testament to the sacred commitment you made not only to each other but to God In the pages of this devotional Jimmy and Karen Evans guide you through the timeless truths of God s Word helping you unlock the secret to a joyful fulfilling and blessed marriage The promises you made can be your foundation paving the way for an enduring love story that will not only enrich your life but also become a legacy of blessing for generations to come Belong, Experience, Believe Noriyuki Miyake,2011 Why don t Japanese people become Christians Miyake brings a pastor s heart and a researcher s mind to a question that has been asked many times in Christian mission After reviewing Japanese social and religious life and evaluating the history of mission strategies so far he highlights two key ways that Japanese people relate to religion first they look for a sense of belonging to a community and second they receive religious truth through first hand experience rather than through abstract doctrine From this basis he develops a new strategy for churches to reach out into Japanese community Reading 1 Peter Missiologically Abeneazer G. Urga,Jessica A. Udall,Edward L. Smither,2024-06-24 Gaining Fresh Insights for Missions In today s world the church on mission faces the immense challenge of engaging an array of cultures and ideologies To address these issues theologians and missiologists usually focus on Jesus and Paul However the Apostle Peter s words steeped in wisdom are another vital link between foundational Christian truths and the complexities of our global context For this reason Reading 1 Peter Missiologically is a significant contribution to both biblical scholarship and mission practice

Examining 1 Peter through a missiologically lens unveils the apostle's strategic approach to cross cultural evangelism amidst persecution and cultural diversity. It is not just an academic exercise; the authors provide practical insights for missionaries, church leaders and theologians helping them to contextualize the gospel in a culturally sensitive manner. This book bridges the gap between theological study and real world application. Reading 1 Peter Missiologically is an essential resource for anyone seeking to participate in Christian outreach more effectively. It challenges readers to rethink modern missionary strategies. If you want to deepen your understanding of the Bible's teaching on global mission and apply it across the world, this book is a must read.

Play. Tell. Be. Sarah Agnew, 2025-08-26. Since childhood days playing the recorder in worship, Sarah Agnew has been invited to lead her church communities. What do others see and feel that they choose to follow her? Trust in a playful process in the magic of failing. Trust in and deep listening to Sacred and human stories. Trust in Sacred Presence and the profound gift of turning up to be with each other. While outside voices celebrated leadership as being charisma driven in a CEO style, Agnew knew herself to be an artist, creative, alternative. Personally, as chronic pain and illness grow ever dominant, Agnew knows herself to need a slower, gentler pace. Playfully with creativity, this book tells a story of becoming of developing a Rule of Sacred Presence, telling one person's story in order to encourage yours.

Being an Intergenerational Church Suzi Farrant, Darren Philip, 2023-08-31. There is a growing realisation across mainstream churches that age segregated models of connecting with children, young people and families are not working. Drawing on their extensive experience, Suzi Farrant and Darren Philip set out a vision for bringing the generations back together to become the intergenerational church we are designed to be. In conversation with the writings of Dietrich Bonhoeffer, they develop a theological rationale for intentional intergenerational relationships of mutuality lived out within the core activities of the church. Through an exploration of the Christian practices of humility, hospitality, participation, discipleship, joy, worship, discernment and testimony, they call the church to re-discover its DNA as an all-age community of transformation.

The Search for the Christian Doctrine of God Richard Patrick Crosland Hanson, R. P. Hanson, 2005-01-01. First published in 1988, *The Search for the Christian Doctrine of God* is still considered by many scholars to be the finest work on the Arian Controversy. Examining scholarly works on the Controversy and many original texts, Professor Hanson provides a clear understanding of how the traditional and historic doctrine of God as the Holy Trinity reached its most mature and enduring form. The author is not primarily concerned to defend the orthodox position itself but rather to discover and examine the formation of that orthodoxy. The history of the events, the Councils, the interventions of the Emperor, the rivalries of sees, the behaviour of bishops, the varying fortunes of the different schools of thought and their leaders is interwoven with the progression of thought and doctrine during the sixty years of the Controversy. Professor Hanson sees the problem of the reconciliation of two concepts which were both part of the very fabric of Christianity: monotheism and the worship of Jesus Christ as divine.
