The air is different than it was imi ib I sometimes wonder if we can go back to what was far less than even we imagine Eight years have passed since Octavius Caesar now Augustus discovered the fate of Arsino and her daughter Aetia He has built Rome an empire on the bones of the fallen Ptolemies and his great uncle Julius Caesar now worshipped as a god But the peace of his world is threatened from within by a conspiracy that echoes the murderous past he is so desperate to forget and the only one who can save him from it may be the girl he fears the most Free spirited Aetia is perfectly satisfied to leave Rome to Octavius and his contentious inner circle But when the gods of Egypt choose her to avert a disaster that could destroy everything her beloved mother fought to defend she and her father s suspicious heir will have to put aside their differences if they are to prevent their enemies from altering the very course of history *Epic Families, Equipping Parents to Inspire Their Children to Know God* Beth Meltzer,2014-09-29 Epic Families not only identifies a problem within today s church but presents suggestions that equip parents to raise kids who are passionate for Jesus and offers ways that churches can partner with and empower parents in this mission Definitely well worth the read Rev Allen Perdue Lead Pastor Jersey Life Church Today s children are not raised in a bubble Daily they are bombarded with worldly wisdom and are tempted at earlier ages with things that would have stunned parents of previous generations Epic Families strives to help parents reclaim their God given mandate to raise their children to know and love Him Developed through more than a decade of ministry experience as well as one on one coaching with parents and church staff this book identifies ways that the church has taken over a role that was designed for parents It offers suggestions to parents to help them confidently teach their children about the God who made them loves them and wants a relationship with them while also suggesting ways that churches can partner with parents while not usurping the parents role Epic Families can empower parents to inspire their children to trust God and make wise choices In the busy and sometimes scary world we live in parents need to intentionally showcase God s presence to their children and let Him permeate their lives this book offers them a valuable resource to do that **A new family bible** ,1803 **The Lord Knows the Way Through the Wilderness** Elvera M.
