Celebrating the Lectionary® for Preschool and Kindergarten 2016-2017: Supplemental Lectionary-Based Resource Kristen Hempstead McGann,

Restoring Cultural Foundations: a Wake up Call to America R. James Tasker, 2011-02-25 America is in trouble Out of control spending Massive debt Political ineptness Constitutional indifference Corporate greed Union corruption Moral chaos Biblical faith under attack Militant Islam Fifth column foes within and powerful enemies without National weakness from top

to bottom Our very survival is at stake Is there a way out or is it too late Our founding Fathers would be appalled but not surprised at the depth to which our once legitimately proud nation has plunged Understanding the biblical view of fallen human nature they built a cultural foundation based on Judeo Christian Law and values unknown in the world before or since But as brilliant as they were they could not win the battle to keep the foundation intact for posterity They charged each generation with that Restoring Cultural Foundations A Wake Up Call to America shows through a study of the Ten Commandments that a return to the Judeo Christian principles on which the Founders built our nation is imperative for an orderly society and lasting liberty Departing from Gods ways they believed courted certain disaster Written for families businesses and churches the author lays out ways our nation can return to our foundation and regain our lost dignity security and well being

Anarchy and the Art of Listening James Slotta,2023-06-15 Anarchy and the Art of Listening is an ethnography of politics as it is practiced on the other side of the spoken word in the act of listening James Slotta explores how people in the Yopno Valley of Papua New Guinea cultivate their listening to exercise power shape their futures and sustain their communities in the face of ambitious leaders and powerful outside institutions As in many parts of the global south missionaries NGO workers educators mining companies politicians development experts and others have sought to transform life in and around the Yopno Valley But as this book makes clear people there have not been a passive and pliable audience for these efforts They have brought their skills as anarchic listeners to these encounters advancing political agendas of their own To understand political life in the Yopno Valley we need to look not only at political speech but at the practices that lie on the other side of the word in the act of listening This Slotta suggests is also true well beyond the bounds of the Yopno Valley
