Assessment in a Time of Reform Coert Loock, Vanessa Scherman, 2019-11-20 Educational Assessment in a Time of Reform provides background information on large scale examination systems more generally and the South African examination specifically. It traces the reforms in the education system of South Africa since 1994 and provides a description of the advances in modern test theory that could be considered for future standard setting endeavours. At the heart of the book is the debate on whether the current standard of education in Africa is good enough. If not, then how can it be improved? The aim of this book is to provide a point of departure for discussions on standard setting, quality assurance, equating of examinations and assessment approaches. From this point of departure, recommendations for practices in general and the exit level Grade 12 examination results in particular can be made. This book is ideal reading for principals, teachers, academics and researchers in the fields of educational assessment, measurement and evaluation. Michieka, 2021-10-26 Kenyan English: Domains of Use, Forms and Users. Attitudes focuses on the unique issues that concern language researchers in Kenya and elsewhere. Edited by Martha M. Michieka and Evans Gesura Mecha, the collection examines the English language forms and usages to describe the reality of Kenyan English use. The contributors address questions such as: What are the characteristics that distinguish Kenyan English from other national varieties? How is English taught and what impact does that kind of teaching have on learner proficiency? What is the place of English in mass media, in politics, in the churches and in multilingual homes? The contributors, all experienced language practitioners based in Kenya or currently conducting language related research in Kenya, bring fresh perspectives to the topic at hand and give readers a glance into contexts that have not yet been addressed in this way. They highlight the sociolinguistic reality of the English language in present day Kenya and raise questions that will prompt further research. **Kenya National Assembly Official Record (Hansard)**, 2008-03-25 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya, the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya.
