

APUSH Period 8: 1945-1980: Everything You Need to Know!

Unit 8 Topic 2: The Cold War

- **Cold War:** a conflict between two belligerents in which neither engages in open warfare with the other
- **CAUSES:**
 - Russian Revolution in 1917 sparked a Red Scare in the US over the potential rise and spread of communism
 - Communism vs democratic capitalism; both of these ideologies are **expansionist** in nature, and both powers sought to remake the world around them in their image
 - Allies agreed that when the war was over Central European countries would hold free and fair elections, but Joseph Stalin kept Soviet troops stationed in those countries to create a buffer zone between Russia and Germany, turning them into Communist satellite states and sparking US suspicion
 - Post-war agreement for the city of Berlin- Germany was to be divided into 4 occupation zones, one for the British, French, USSR and US. Berlin was in the Soviet territory, but was also supposed to be divided into 4 occupation zones. Soviets wanted to occupy Germany permanently as essentially another communist state; intended to keep Germany weak so that they would pose less of a threat and to allow for the extraction of reparations, while the West wanted Germany to become economically strong to ensure Central European stability
 - US meddled in Berlin-> Stalin decided to block their entry into the Western part of the city through something that became known as the **Berlin Blockade**: Soviet blockage of canals, roads and railways by which the US supplied West Berlin. Goal was to absorb West Berlin into the Soviet occupation
 - US organized the **Berlin Airlift** in response, which included over 200,000 flights in US and allied airplanes to carry supplies into West Berlin, preventing the Soviets from taking over the city
 - Winston Churchill's **iron curtain** referred to the political and ideological division extending across Central Europe
 - US responded with a **containment** policy, attempting to contain/ mitigate the spread of communism
 - President Harry Truman issued the **Truman Doctrine**, advocating containment via lending support to any country that was threatened by Soviet communism
