Shaping Community College Missions Kristin Bailey Wilson, Regina L. Garza Mitchell, 2018-01-24 Historically community colleges have served societal and functional missions that expanded over time with the result of trying to achieve multiple goals for multiple audiences This volume explores the forces currently shaping community college missions and the resulting tension between stated goals assumed goals and achievement of those goals In an era of increasing accountability tighter coupling and the need to do ever more with fewer resources mission focus is vital to college survival Explore such issues as the unspoken social contract transfer developmental education noncredit education dual enrollment workforce development the free college movement and planning for the future The topics are explored thoughtfully from both scholarly and practical perspectives highlighting the forces that shape community college missions This is the 180th volume of this Jossey Bass quarterly report series Essential to the professional libraries of presidents vice presidents deans and other leaders in today's open door institutions New Directions for Community Colleges provides expert guidance in meeting the challenges of their distinctive and expanding educational mission Immigrant Children and Youth Alberto M. Bursztyn Ph.D., Carol

Korn-Bursztyn, 2015-07-14 Immigrants now comprise one fourth of the 75 million children in the United States The ability of today's immigrant children to become productively engaged adults hinges on their internal resources and mental health This book ascertains their psychological challenges and their often misunderstood needs This book is intended to inform both the general public and professionals working with immigrant children and adolescents about the importance and complexity of addressing their psychological issues and experiential challenges The work covers the topic of immigrant children's mental health from multiple perspectives while maintaining a focus on developmental needs and identifying the specific problems posed by linguistic and cultural transition The chapters present case studies and vignettes that serve to illustrate the topics providing vivid depictions of mental health issues and highlighting the importance of specific interventions As new immigrant groups continue to settle in the United States the social and emotional well being of their children has far reaching

implications for the future of our society making this volume of critical significance to therapists educators policymakers child advocates and other audiences **The Pragmatics of Text Messaging** Michelle A. McSweeney, 2018-05-30 This book provides a comprehensive linguistic exploration of textism use by bilingual young adults illustrating the function of alternative and creative linguistic features and their role in conveying tone through text Drawing on a corpus of nearly 45 000 text messages donated by bilingual young adults in New York City this volume explores the ways in which the use of texting features such as lol emojis abbreviations and acronyms is systematic and essential In part toward the aim of exposing the tensions bilinguals face navigating a platform that preferences monolingual language practices the book highlights creativity as a means of both constructing meaning and performing identity for bilingual youths These findings are extended to explore the role texting plays in communication and identity construction in contemporary society more generally This volume extends the boundaries of emerging research on language and digital communication and will be of particular interest to graduate students and scholars in computer mediated communication pragmatics and new media **Cliffsnotes**

Tasc Test Assessing Secondary Completion(tm) Cram Plan Tim Collins, Timothy G. Collins, 2015 CliffsNotes TASC Cram Plan provides calendarized test prep for the TASC which is a high school graduation equivalency test similar to the GED

Blankstein, Pedro Noguera, Lorena Kelly, 2016-02-26 Excellence Through Equity is an inspiring look at how real world educators are creating schools where all students are able to thrive In these schools educators understand that equity is not about treating all children the same They are deeply committed to ensuring that each student receives what he or she individually needs to develop their full potential and succeed To help educators with what can at times be a difficult and challenging journey Blankstein and Noguera frame the book with five guiding principles of Courageous Leadership Getting to your core Making organizational meaning Ensuring constancy and consistency of purpose Facing the facts and your fears Building sustainable relationships They further emphasize that the practices are grounded in three important areas of

research that are too often disregarded 1 child development 2 neuroscience and 3 environmental influences on child development and learning You ll hear from Carol Corbett Burris Michael Fullan Marcus J Newsome Paul Reville Susan Szachowicz and other bold practitioners and visionary thinkers who share compelling and actionable ideas strategies and experiences for closing the achievement gap in your classrooms and school Ensuring that all students receive an education that cultivates their talents and potential is in all our common interest As Andy Hargreaves writes in the coda The opportunity for all Americans is to articulate and believe in an inspiring vision of educational change that is about what the next generation of America and Americans should become not about a target or ranking that the nation should attain From the Foreword by Archbishop Desmond Tutu Letting go of a system of winners and losers in favor of what is proposed in this book is a courageous leap forward that we all must take together Let this bold practical book be a guide and may you travel into this new exciting vista in which every child can succeed **Village of Immigrants** Diana R. Gordon, 2015-11-06

Greenport New York a village on the North Fork of Long Island has become an exemplar of a little noted national trend immigrants spreading beyond the big coastal cities driving much of rural population growth nationally In *Village of Immigrants* Diana R Gordon illustrates how small town America has been revitalized by the arrival of these immigrants in Greenport where she lives Greenport today boasts a population that is one third Hispanic Gordon contends that these immigrants have effectively saved the town s economy by taking low skill jobs increasing the tax base filling local schools and patronizing local businesses Greenport s seaside beauty still attracts summer tourists but it is only with the support of the local Latino workforce that elegant restaurants and bed and breakfasts are able to serve these visitors For Gordon the picture is complex because the wave of immigrants also presents the town with challenges to its services and institutions Gordon s portraits of local immigrants capture the positive and the negative with a cast of characters ranging from a Guatemalan mother of three including one child who is profoundly disabled to a Colombian house painter with a successful business who cannot become licensed because he remains undocumented *Village of Immigrants* weaves together these people s stories fears and dreams to reveal an environment plagued by threats of deportation debts owed to coyotes low wages and the other bleak realities that shape the immigrant experience even in the charming seaport town of Greenport A timely contribution to the national dialogue on immigration Gordon s book shows the pivotal role the American small town plays in the ongoing American immigrant story as well as how this booming population is shaping and reviving rural communities *Understanding and Preventing Community Violence* James F. Albrecht, Garth den Heyer, 2022-05-30 This book examines the contemporary rise in community violence across the United States and globally from sociological and criminological perspectives It comprehensively investigates police response to criminal incidents engagements with criminal suspects use of force by law enforcement and crime control measures implemented or recommended to initiate effective crime control measures so that the unwanted rise of violence and serious crime can again be contained The primary audience

for the book will be upper level undergraduate and graduate level students criminal justice and law enforcement practitioners government policy makers community advocates and researchers in sociology criminology homeland security criminal justice public administration and political science Economic Sanctions in Criminal Justice R. Barry Ruback, 2021-10-18 Economic Sanctions in Criminal Justice provides an in depth overview on how economic sanctions are currently being used in the United States to address the multiple goals of criminal sentencing *Social Science* David Colander, Elgin Hunt, 2022-05-30 Now in its eighteenth edition Social Science An Introduction to the Study of Society approaches its study from a common sense perspective rather than a formalistic perspective more common in social science texts Readers will see how seemingly diverse disciplines intermingle and connect to one another anthropology and economics for example The goal of the book is to teach students critical thinking and problem solving skills that will allow them to approach social issues in an objective and informed way New to this edition are significant updates on Debates about the limits of democracy and the developing Chinese political alternative Political economic and social implications of the Covid pandemic Assessment of the Donald Trump presidency Political economic and social implications of the movement from the Trump presidency to the Biden presidency Implications of the multitrillion dollar budget deficits the US government has been running The emergence of populist movements throughout the world The Chinese political and economic challenge to the United States Recent developments in evolution theory Examples data recommended readings and Internet questions Critical thinking questions **Nb3Sn Accelerator Magnets** Daniel Schoerling, Alexander V. Zlobin, 2019-08-30 This open access book is written by world recognized experts in the fields of applied superconductivity and superconducting accelerator magnet technologies It provides a contemporary review and assessment of the experience in research and development of high field accelerator dipole magnets based on Nb3Sn superconductor over the past five decades The reader attains clear insight into the development and the main properties of Nb3Sn composite superconducting wires and Rutherford cables and details of accelerator dipole designs technologies and performance Special attention is given to innovative features of the developed Nb3Sn magnets The book concludes with a discussion of accelerator magnet needs for future circular colliders

Reviewing the Success of Full-Service Community Schools in the US Mavis G. Sanders, Claudia Galindo, 2020-03-05 Originally published as a special issue of the Journal of Education for Students Placed at Risk this expanded text provides new insights into the successful sustained implementation of Full Service Community Schools FSCSs in the United States Reviewing the Success of Full Service Community Schools in the US documents the experiences of students teachers and communities involved in the establishment and growth of FSCSs By considering how successful this reform strategy has been in meeting the needs of underserved communities the text illustrates the potential these schools have to transform students learning and outcomes In particular the studies illustrate the value these schools have in supporting low income students and students of color At the same time by interrogating the defining pillars of FSCSs expanded learning opportunities integrated

services family and community engagement and collaborative leadership chapters identify challenges that if left unattended could limit the transformative potential of this reform strategy This groundbreaking text will be of great interest to graduate and postgraduate students researchers academics professionals and policy makers in the fields of Educational Change and School Reform Multicultural Education Sociology of Education Education Policy and School Management and Administration

Curriculum Planning Kenneth T. Henson,2015-01-09 The fifth edition of this critically acclaimed approach to curriculum planning continues to receive accolades for its balanced presentation pertinent case studies and advice from practicing educators It skillfully interweaves the themes of multicultural education constructivism and education reform The author documents the latest trends such as e learning blended learning and flipped learning the controversial Common Core State Standards and the impact of technology in our schools including the BYOD bring your own device movement digital citizenship and technological literacy This well researched text spotlights ways to involve parents students and teachers in the curriculum planning process and engages the reader in critical thinking and analysis about curriculum planning and education reform

Energy Storage Manuel Bailera,Pilar Lisbona,Begoña Peña,Luis M. Romeo,2020-05-09 This book presents a detailed analysis of Power to Gas a promising energy storage technology It discusses the main mechanisms involved and presents two Power to Gas and carbon capture hybridizations The book begins by providing an introduction to energy storage technologies It then reviews a number of Power to Gas projects now in progress highlighting the current barriers to commercializing the technology Moreover the book presents two novel Power to Gas hybridizations which improve the technology s applicability in terms of efficiency utilization of resources and profitability Given its scope the book will be of interest to graduate students researchers and practitioners in the fields of engineering and energy
