

Our calling is improving lives by what we do

No matter who they are, or what part of the world they live in, people define themselves by the work that they do. It's unavoidable. Work can make us feel appreciated or ignored, connected or isolated, competent or foolish; and have a profound effect on every part of our lives. At Kenexa, we believe that when people are in jobs they love, they are not only more productive employees, they are also better parents, friends, partners and neighbors. Our work is to make this happen for everyone. It's our passion—our purpose—and it's how we serve humanity worldwide every day.
