Teaching Primary English David Wray, Jane Medwell, 2013-11-26 In this stimulating collection of specially commissioned essays teachers and researchers in the forefront of thinking in this area consider both the controversies and the day to day realities of teaching primary English The book s four sections reflect the organisation of the National Curriculum for English Speaking and Listening Reading Writing with a

final section on issues that confront the teacher across the English curriculum Particular attention is paid to assessment within the three strands of the National Curriculum and throughout the contributors combine the latest research with practical suggestions about what it means for the teacher in the classroom Teaching Primary English takes up and develops the themes of David Wray and Jane Medwell's very successful Literacy and Language in the Primary Years Students teachers and everyone with an interest in how children acquire the skills of literacy will want to read it *Boys and Literacy* Trisha Maynard, 2004-11-23 In recent years the issue of boys and literacy namely that they are worse at it compared to girls has become a key area of interest to all those concerned with the education of our children This book highlights the key factors causing this divide and discusses the implementation of new strategies to overcome it which have been the result of extensive qualitative research made by the author Trisha Maynard reports case study findings of a primary school whose staff wanted to explore and improve boys attitudes towards and attainment in literacy and in particular their difficulties with writing The book highlights issues concerning the reading and writing of stories what teachers understand by good story writing and the importance of teachers exploring boys and girls difficulties with literacy by themselves It provides significant insight into boys difficulties with writing as well as informing teachers how to find out about children's attainment *Key Stage 1 English* Namrata Learning Creator, 2023-03-09 This Key Stage 1 English SATs Practice Book provides excellent preparation for the latest SATs With this book students can confidently tackle the more challenging SATs questions to achieve their best scores There are five English SATs Grammar Punctuation and Spelling practice papers with answers It is an excellent book for students in Year 2 to become knowledgeable with the most recent content and style of the official SATS test This book is an excellent resource for teachers to teach SATs problem questions Parents can also aid in students learning by purchasing this book Ace your Key Stage 1 English SATs with this practice book at home or school Hilarious Handwriting Louis Fidge, 2002-07 A fun interactive activity book based around the popular theme of magic to engage and motivate young learners This book helps children to practise their handwriting skills reinforcing what has been taught at school The books combine fun magical characters and fantastic illustrations with National Curriculum focused activities Motivating activities based on the KS1 National Curriculum Step by step learning introduced by fun characters Includes gold stickers to reward achievement **The Learning and Teaching of Reading and Writing** Naomi Flynn, Rhona Stainthorpe, 2006-07-11 This book provides a unique description of teacher pupil interaction during the Literacy Hour in good schools It is based on detailed observations in inner city primary schools that were recognised as effective and improving The analysis is informed by contemporary research into the development and teaching of early literacy The book provides practice based examples of how teachers and schools might adapt their delivery for literacy as they move to greater creativity in their teaching of reading and writing The analysis begins within the classrooms of three expert Key Stage 1 teachers and broadens out in to the wider setting of the schools and their senior management teams An important theme

running throughout the book is how the three teachers were able to make exceptional provision for their pupils who were largely second language speakers and from socio economically disadvantaged groups The teachers successful practice grew from their understanding of both early literacy development and planning for individual need The information in this book will enable student teachers recently qualified teachers and teachers interested in enhancing their literacy teaching to develop their practice in a similarly successful way Language Policies and (Dis)Citizenship Vaidehi

Ramanathan,2013-08-02 This volume explores the concept of citizenship and argues that it should be understood both as a process of becoming and the ability to participate fully rather than as a status that can be inherited acquired or achieved From a courtroom in Bulawayo to a nursery in Birmingham the authors use local contexts to foreground how the vulnerable particularly those from minority language backgrounds continue to be excluded whilst offering a powerful demonstration of the potential for change offered by individual agency resistance and struggle In addressing questions such as under what local conditions does citizenship happen what role do language policies and pedagogic practices play and what kinds of margins and borders keep humans from fully participating The chapters in this volume shift the debate away from visas and passports to more uncertain and contested spaces of interpretation **Coordinating English at Key Stage 2** Tony

Martin,Mick Waters,2003-09-02 Specifically designed for busy teachers who have responsibility for co ordinating English within their primary school this concise and practical volume provides a wealth of tips case studies and photocopiable materials *Daily Graphic* I.K. Nkrumah,1976-08-10 **English as an Additional Language** Liz Haslam,2006 This guide is packed full of straightforward ideas to help teachers get a grip on good classroom practice and will help teachers understand language development and its impact upon pupils attainment **National Curriculum Assessment** Richard Daugherty,2004-06-01 The assessment of the National Curriculum has evolved from the first blueprint of the TGAT Report through a series of policy decisions and early experience of implementation The pace of change the complexity of the proposed assessment system and the political rhetoric associated with it have served to confuse and so obscure the trends in policy and practice This book offers an account of that system and explains why it is now emerging in a substantially different form from that envisaged by its originators
