

Year 2 Writing Checklist

These checklist lists are for the 2019-2020 National Curriculum Year writing. They are split into:

- Working Towards the Expected Standard
- Working at the Expected Standard
- Working at Greater Depth within the Expected Standard

All of the statements are progressive within and across the year so that the majority of pupils will be working on their own year goals.

How to Use the Checklists

The year can be used to track the achievement of individual pupils to highlight the progress of groups of children who are meeting writing targets.

To judge that a pupil is working at a standard in English, look across the checklist for the school year which encompasses that child's writing that standard.
